The 1955 McKINLEYITE was published by the students of McKinley High School, Canton, Ohio, under the direction of Jerry Jacobs, Editor-in-Chief, and Jack Myers, Business Manager.

With "Pudgie" the Bulldog, the symbol of McKinley and the official theme of the 1955 McKINLEYITE, we sincerely hope that you will be entertained by his antics on the following pages.

DEDICATION

To ARTHUR A. RITTERSBAUGH,
our friend and counselor, we dedicate
this McKINLEYITE.

McKinley has risen to a baseball
power in the area under the guidance
of Coach Rittersbaugh. Here he fits
out a uniform for the coming season.

"Red" is in great demand as a basketball and football referee and here is shown officiating at a local contest.

Even the family dog seems interested in Judy's lessons as the proud parents look on.

BECAUSE OF HIS MANY FINE CONTRIBUTIONS

Little thought was necessary to find one person so worthy and deserving of the dedication of this year's McKINLEY-ITE. As a teacher, coach, advisor, and gentleman, he is unsurpassed in respect and admiration shown to him by the student body. He has always had the students' interests in mind and has endeavored in every way possible to make us better citizens. His advice has always been worthwhile and freely given to everyone requesting it.

It has been exactly twelve years since he returned to his Alma Mater,

and in this period of time he has become one of the most popular members of the faculty through his straightforwardness, sincerity, loyalty, and trust.

Because we wish to focus our thoughts on a man who has contributed so generously to the beauty and stability that we have tried to record on these pages, and because we shall always remember him and want him to remember us, we feel honored to dedicate this yearbook to ARTHUR A. "RED" RITTERSBAUGH.

Here Mr. Rittersbaugh is pictured in one of his many capacities—boys' advisor.

Members of the editorial staff include Julia Paull, Linda Elliot, Jerry Jacobs, and Gerry Goldberg.

Editor Jerry Jacobs discusses a new idea with Mr. Thomas Cox, staff advisor.

THE BIG PRODUCTION

With a new lease on life that included professional photography, a new method of printing, padded cover, plus many other features, the 1955 McKINLEYITE began its operation with the renewal of school in September.

A model "dummy" was obtained from the artists of the engraving company and after many cuts and revisions, was finally ready to be filled with the pictorial highlights of the year. Copy was written, re-written, proof read, and, after what seemed an eternity, ready to present an interesting summary of the activities and descriptions of pictures.

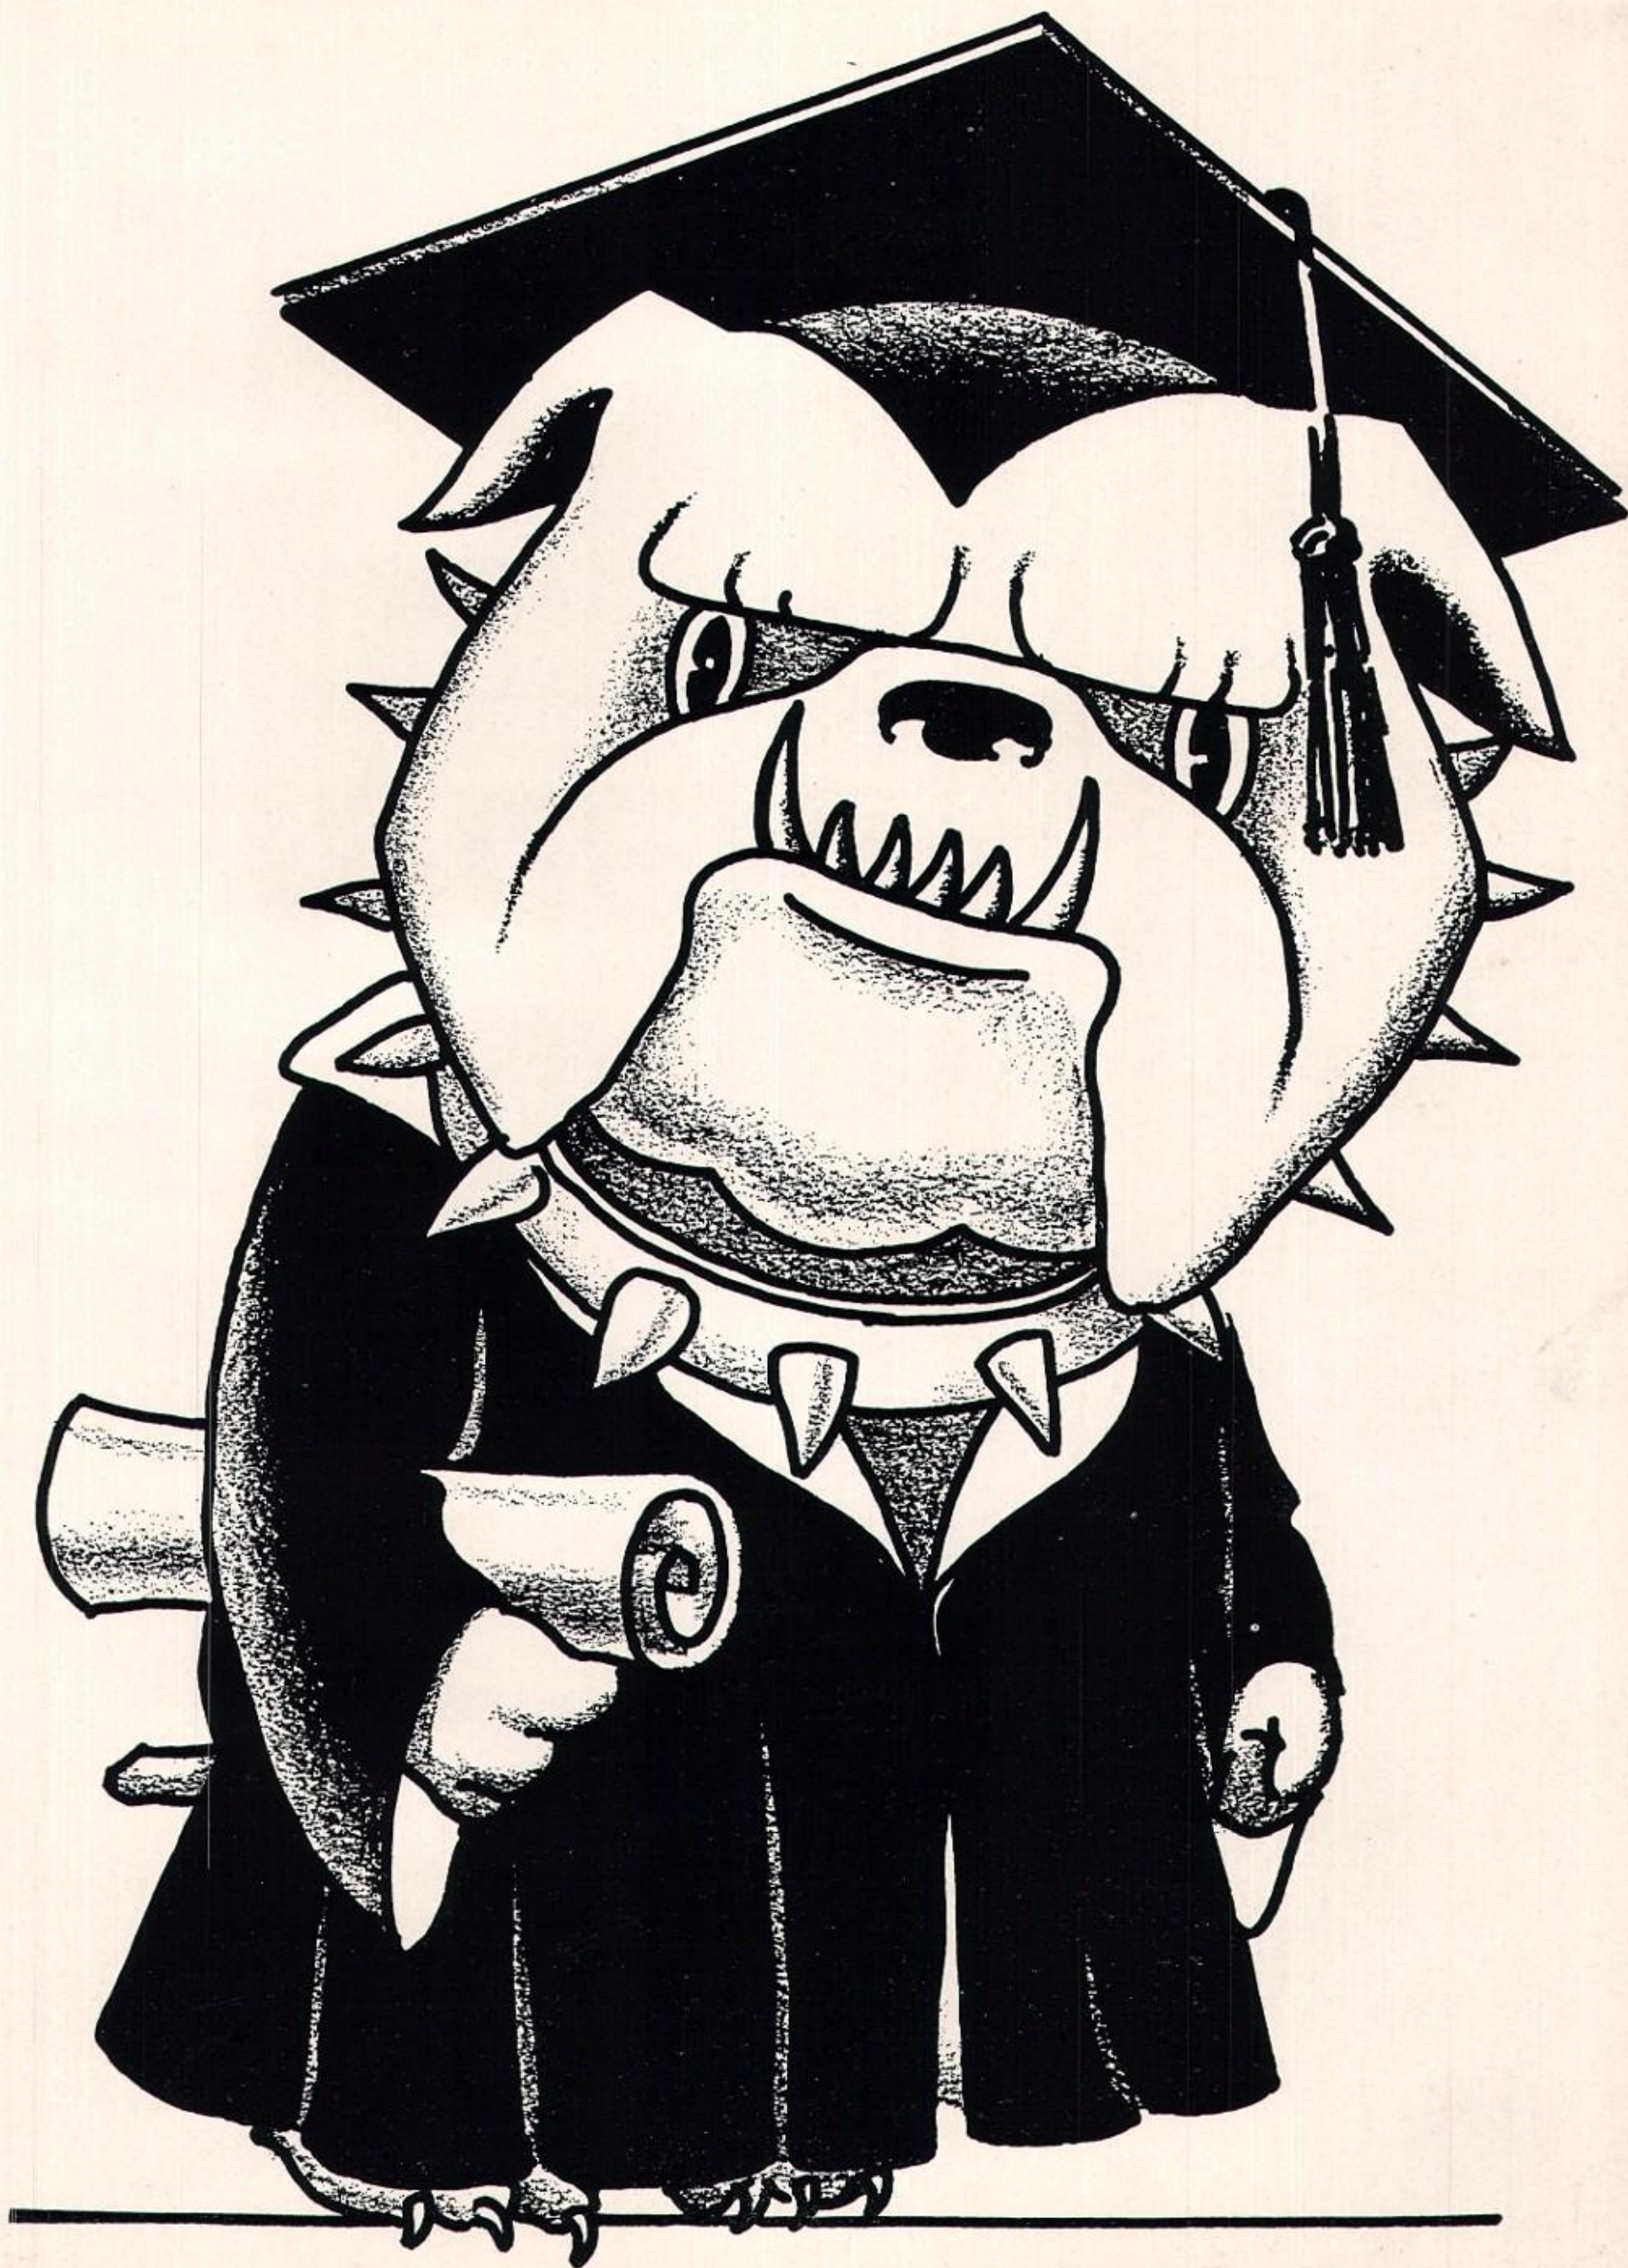

Our loyal ad-takers, who, like the mailmen, weathered snow, rain, or what have you, shall long be remembered trudging the streets of Canton trying to sell an unprecedented 28

Editor Jacobs goes over some features with his photographer.

Last-minute instructions are given to ad-takers by B. Cohon.

The Seniors Look Forward to New Worlds

As the members of the senior class of 1955 started down the last stretch of their high school days, they elected the following as their class officers: Bennett Cohon, president; Joan Gregory, vice-president; Alma Sonntag, secretary; and Linda Gerber, treasurer. There were many happy memories of this last year . . . the final senior parties, the excellent year in sports, the operetta, that wonderful prom, and, of course, the final activities such as Class Night, Baccalaureate, and then the climax, graduation. It was a profitable year for the seniors, and full of much excitement. It will be remembered as one of the best years of our youth.

pages of advertising. The misplaced pictures, the persistent hounding by the subscription takers for your money, the double exposures; all contributed to the gray hairs on the heads of staff members. The deadline (a dreaded word) approached and our work became harder and longer, but we made it.

But with all the hard work and aggravation we've suffered, the entire staff feels that this book is worthy of all the efforts that have gone into it. The staff wishes you as much pleasure in reading this volume as we've had in presenting it to you.

FOREWORD

"Hi there! I'm 'Pudgie' and I am going to be your guide through this yearbook. I have been told that I am the theme of this book, but more than that, a symbol of every student at McKinley, and especially the seniors. I have shared their happiness and sorrows, and have come to know them quite intimately."

Yes, these are the words of our animated character, "Pudgie," who appears throughout the annual. Through him, we have presented this book to you because he can explain our activities better than we can in our last year of school.

As you glance through this yearbook, let our little representative, "Pudgie," illustrate to you all the emotions that he has had in his senior year.

JUNIORS

The Juniors

CLASS OFFICERS

With President Bob Hackley, Vice-President Hank Urbach, Treasurer James Chin, and Secretary Milan Zimer, the Junior Class had fine leaders.

Prepare Themselves

As is always the case, it was a big year for the juniors when the Junior-Senior Prom rolled around. As sponsors of the affair, the junior class did a tremendous job and, with Mayor Carl Wise picking the prom queen, it was a tremendous occasion.

Staged at Moonlight Ballroom, Meyers Lake Park, on April 22, the huge

Mr. Smith's chemistry class seems to be amused by or at our photographer. Stu is a funny guy.

Class officer election time brought out the party "choirs" to sing the praises of their candidates.

Those week-end pajama parties are always a lot of fun.

Complete with pallbearers, the Buckeye party holds last rites for the Carnations in junior class election campaign.

throng danced to the music of Freddie Arthur and his band. There were several other occasions when the class had get-togethers, but the prom stands head and shoulders above the parties and business discussions. With the year concentrated mainly on the prom and its success, the class can very well point with pride to a very successful year.

The Junior-Senior party produced an unusually large turnout of juniors, a portion of which are pictured.

Seen emerging from his coffin is a Carnation party follower.

The outstanding event of the sophomore class was the "Vocational Guidance Program," whose purpose was to make the sophomores realize that "Your future is what you make it." The program emphasized the value of going to college.

With two class parties on the agenda, including a joint Freshman-Sophomore affair, there were many opportunities for a good time.

The class may also be commended for doing such a fine job of supporting the athletic pro-

HIGHLIGHTS OF THE YEAR

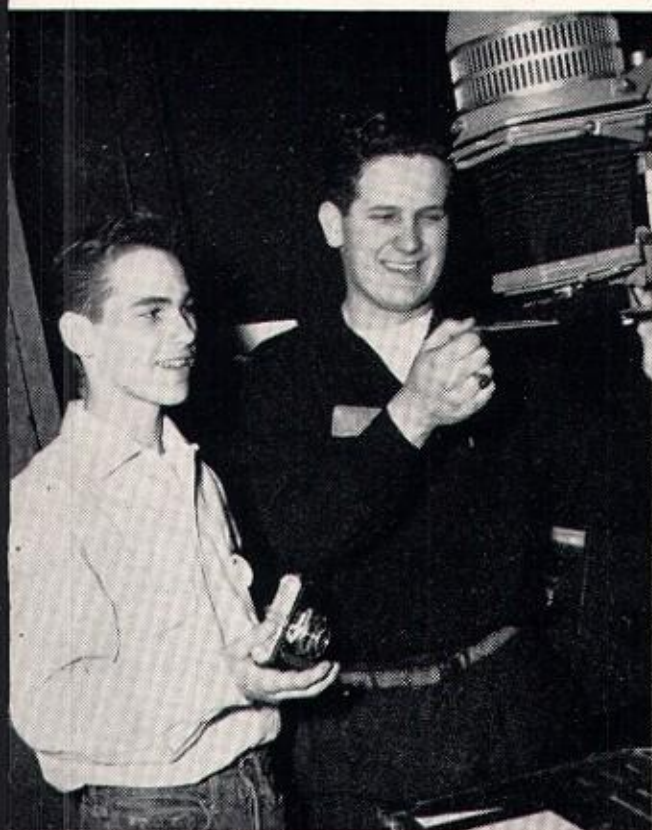

Upper Left: Stu and Jack finally get to work.

Upper Center: Lovie cuts a pretty neat rug.

Upper Right: You name it and it's still Marilyn.

Lower Left: Everyone seems to be having fun.

Lower Right: Is this a study hall?

The Freshmen:

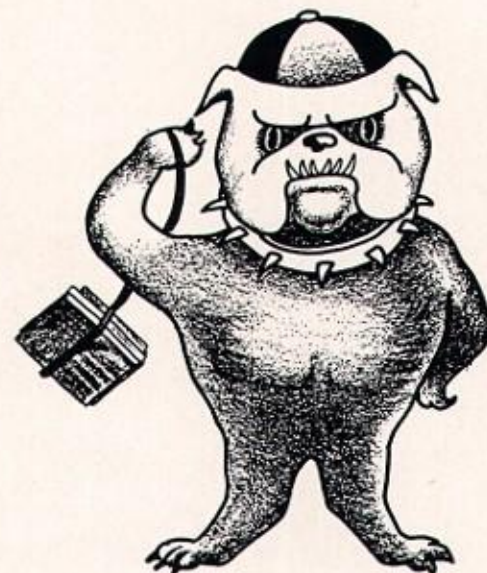

CLASS OFFICERS

All-girl officers created a "first" in the freshman class. The officers were Nancy Jo Rice, president; Betty Gates, treasurer; Carla Rice, vice-president; and Patsy Welsh, secretary.

Bewildered

The freshman class finally became accustomed to the long halls and winding stairways of McKinley, and, after inching their way along, began to experience the thrill of a new life.

The freshmen took great pride in supporting their football and basketball teams, which gave them such great seasons. Lending their enthusiasm to the scene were the freshman cheerleaders, Judy Robertson, Arlina Williams, and Nancy Rice, who did their best to boost the freshmen's spirit.

Freshmen cheerleaders were Arlina Williams, Nancy Jo Rice, and Judy Robertson.

The great freshman basketball squad attracted many spectators.

Tom Lamielle goes high in the air and lays it gently in for another two points.

But Very Eager

In spotlighting the freshmen, there was Betty Gates, football attendant, and the Yale-Harvard representatives, Jane Ann Zagray and Marie Jenkins.

Socially, the freshmen had two enjoyable parties and now await their future years at McKinley as the class of '58.

The freshman squad members were, Row 1: Crawford, Smith, Steiner, Erlanger, Bowen, Popoff, Miller. Row 2: Ohman, Scoville, Jones, Lamielle, Hubbard, Reeves, Kennard, Loughry, Bender, Coach Don Everett.

Freshmen swarm through the doors as the party gets ready to roll.

The girls make their grand entrance to the dance floor.

THE FACULTY FINDS TIME TO RELAX

Mr. Bergman relaxes on his contour chair and enjoys TV.

There are many mixed expressions at a faculty meeting.

Miss Eckis keeps score for the faculty bowling league.

Miss Walton does a little of her homework.

Mr. Riley and Mr. Corner discuss vacation plans.

PRACTICAL COURSES TAUGHT AT McKINLEY

The following eight-page section is devoted in its entirety to "Practical Courses Taught at McKinley." A new addition to the McKINLEY-ITE this year, it is intended to enlighten the reader, future students, and even contemporary students as to the vocational courses offered to the student at McKinley. Basically, it deals with subjects applicable to the hands as well as the mind, and prepares the student to work with something concrete: i. e., tools, machines, instruments. Although a few of the subjects do not fall into this category, it is thought that they are essential and should be represented.

Mr. Casali explains the operation of the circular saw to his class.

WOODWORKING

Boys from Mr. Dunbar's class receive instructions in the art of cutting lumber at an angle.

McKinley is one of the few schools which offers a major in woodworking. The course begins with an exploratory phase which determines the student's interests, aptitudes, and abilities, and prepares him for further work in the intermediate and advanced courses if he desires.

The course involves the development of some skill in the use of woodworking tools and machines while making projects or repairs which give personal satisfaction. The ability to identify and maintain certain kinds of wood finishes is taught to the student, in addition to evaluating certain types of construction, and selecting, buying, and using the wood products of industry intelligently. Not to be overlooked are the recreational and vocational activities in the area of constructive work which often develops into hobby home workshops.

A student's project included the building of a boat.

MECHANICAL DRAWING

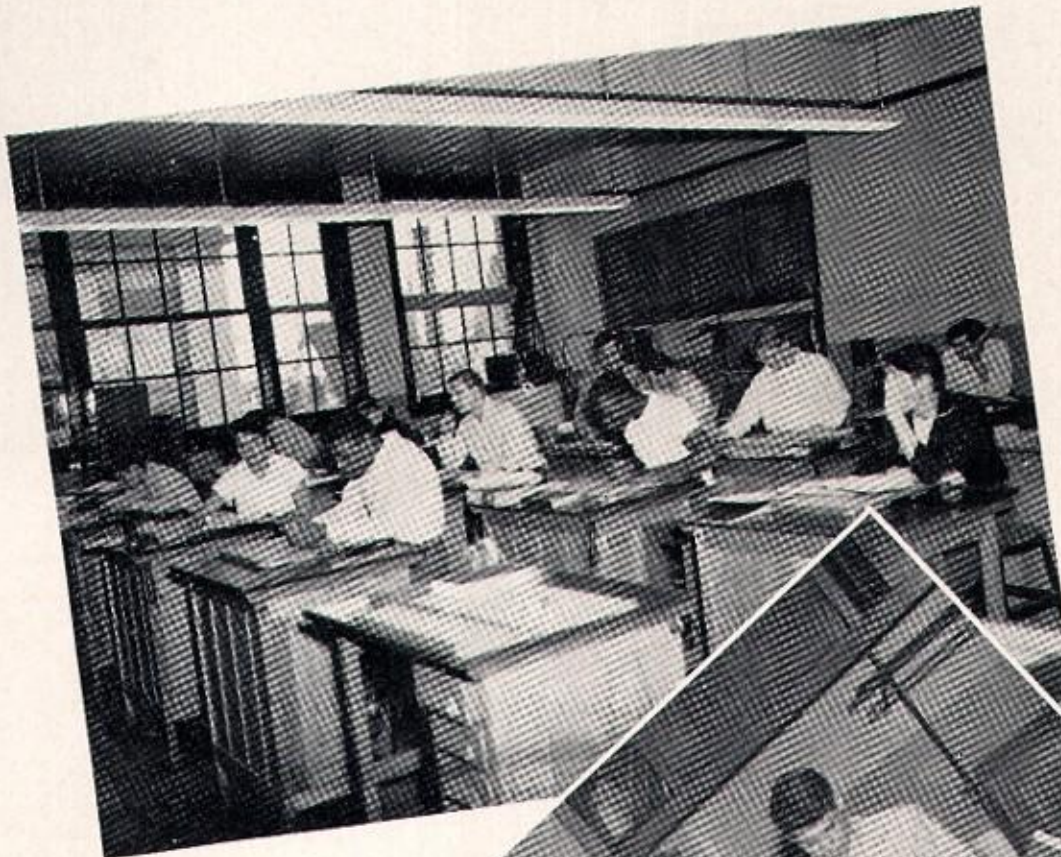

When a fellow drawing student is in need of help, someone is always there with assistance.

Anyone enrolled in the industrial curriculum is required to take two years of general drawing with the opportunity to select the advanced courses. Students successfully completing this curriculum have a foundation for college engineering drawing, or as a beginning draftsman in industry or architecture.

A typical drawing class scene is pictured above with Mr. Bergman offering some advice to a student.

From the drawing board to the blueprint stage is actually shown here as the boys ready the blueprint machine.

The use of several instruments in preparing a drawing is necessary, as is being illustrated by Nick Lulos to fellow students.

A definition—mechanical drawing is the accurate method of writing with the use of mathematical instruments "the graphic language in which is expressed and recorded the ideas and information necessary for the building of machines and structures."

The mechanical drawing program offered at McKinley is broad and intensified. Those majoring in drawing take two years of general drawing, machine drawing, which also incorporates descriptive geometry, and fourth year architectural drawing.

The Machine Shop course today consists of three parts. For sophomores, who are in shop for one semester only, the course teaches the use of hand tools, lathes, shapers, and drill presses. They make drill gauges, hammers, and forge chisels. When finished, the student has the decision of whether or not he would like to follow the machinist trade for an occupation.

Another part is the boys who care to take an extra year of Machine Shop but do not want to follow it as a trade. Here they become accustomed to the more advanced machines. The third category will be discontinued this year, but the duties of the boys were the maintenance of the shops.

Mr. Henning adjusts "chuck" on a lathe.

MACHINE SHOP

PRINT SHOP

Printing takes five to six years to learn as a trade. Therefore, one or two years of printing two periods a day will not make a journeyman printer out of a student. The main aim and purpose of the printing course is a better appreciation of the printed word.

Many boys also find that they like printing so well that they want to go on and learn printing as a trade. Some go to college for printing, some to technical trade schools, and some to the apprentice trade training programs.

Above Right: Setting the type is the first step toward the finished product and Ronald Suci has three supervisors.

SHEET METAL

The Sheet Metal Shop is set up so that it offers the freshman boys an experience in three major fields in general metal. He learns the rudiments of forging, then the basic principles of sheet metal which employ his mechanical drawing and math, and, finally, it deals with wrought iron, which has become prominent in the last few years. It is designed primarily as an exploratory experience in metal and the occupations it includes.

ELECTRIC SHOP

The Electric Shop's program is designed to meet the needs and abilities of McKinley students in the field of electricity. It provides the students with a knowledge of the correct handling of electrical conductors, appliances, instruments, methods of electrical control, effects from electricity, and materials and procedures commonly used in the field of electricity. The student becomes acquainted through experiments, demonstrations, and the construction of projects.

The use of a transformer is explained in detail by our expert, Mr. McBride.

Mr. McBride prepares an experiment on the power of electricity.

HOME ECONOMICS

Each year, approximately 300 girls are scheduled for food courses in our recently modernized laboratory. Food and nutrition is the elementary course, followed by meal planning. The girls learn to prepare and serve attractive, well-cooked meals. They study the relationship of proper nutrition to good health. In the kitchen, they learn to develop efficient working habits as well as the wise buying of food, with the ultimate goal of being good homemakers in the future.

Clothing is also included in Home Economics and its aim is to develop an appreciation of good taste and economy in dress. Girls learn the principles of hand and machine sewing and the use of commercial patterns. Discussion on planning an attractive and economical wardrobe helps each girl satisfy her particular needs in dress.

"Guinea pigs" for the experiments in food preparation are the girls themselves.

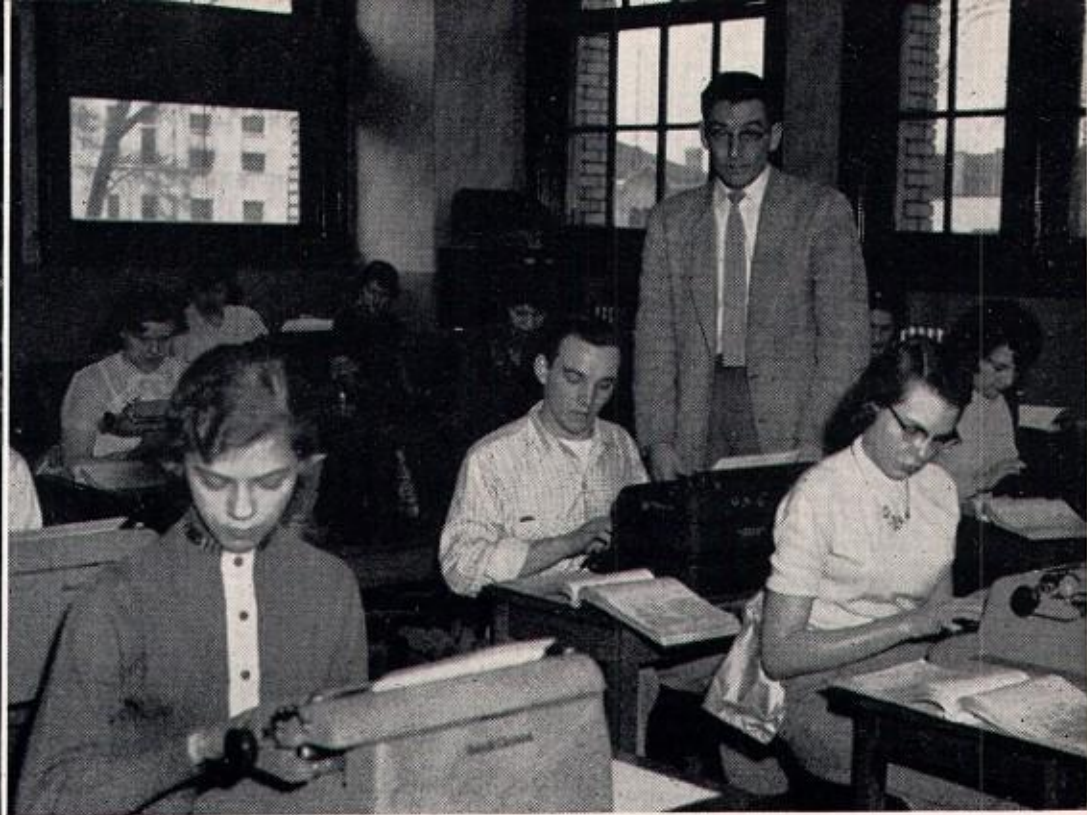

The girls are taught to prepare healthy and well-balanced meals in cooking classes.

TYPING

The typing courses at McKinley serve two main purposes, occupational and personal. Intensive training is provided in a two-year course for the prospective office worker, and the student is trained to handle the basic functions required of a typist in a modern office. For the person who attends college, typing is a "must." One year is sufficient to handle manuscripts, letters, and type fairly fast.

Miss L. Stonehill explains a sign to an attentive shorthand class.

SHORTHAND

In the stenographic section of the Commercial course, which includes shorthand and typewriting, the student hopes to develop sufficient skill to be able to obtain and hold a position as general stenographer or private secretary in an office. The student attempts to build up a smooth shorthand writing ability at a speed which will take care of the ordinary office-type dictation. The notes are then transcribed on the typewriter, working toward a mailable letter. It may also be used in college.

ART

A sketch drawing is made first, with the detail filled in later.

Many students profit from art by learning how to use color and proportion in home decoration or wearing apparel. With a knowledge of color comes confidence in its use in various combinations. An art course also arouses awareness of beauty in nature and the objects which form the pupil's environment. It is a foundation in color, design and form.

An art student demonstrates to the class the proper technique.

FAMILY LIVING

With marriage demanding such careful consideration today, it is important that education in family living be made a part of youths' training. It prepares the student for his main role in life—that of family living. It helps him to understand himself, his family, and helps him toward maturing into a well-adjusted adult who can get along with others.

"Get-acquainted parties" proved successful.

The refreshment stand proved popular.

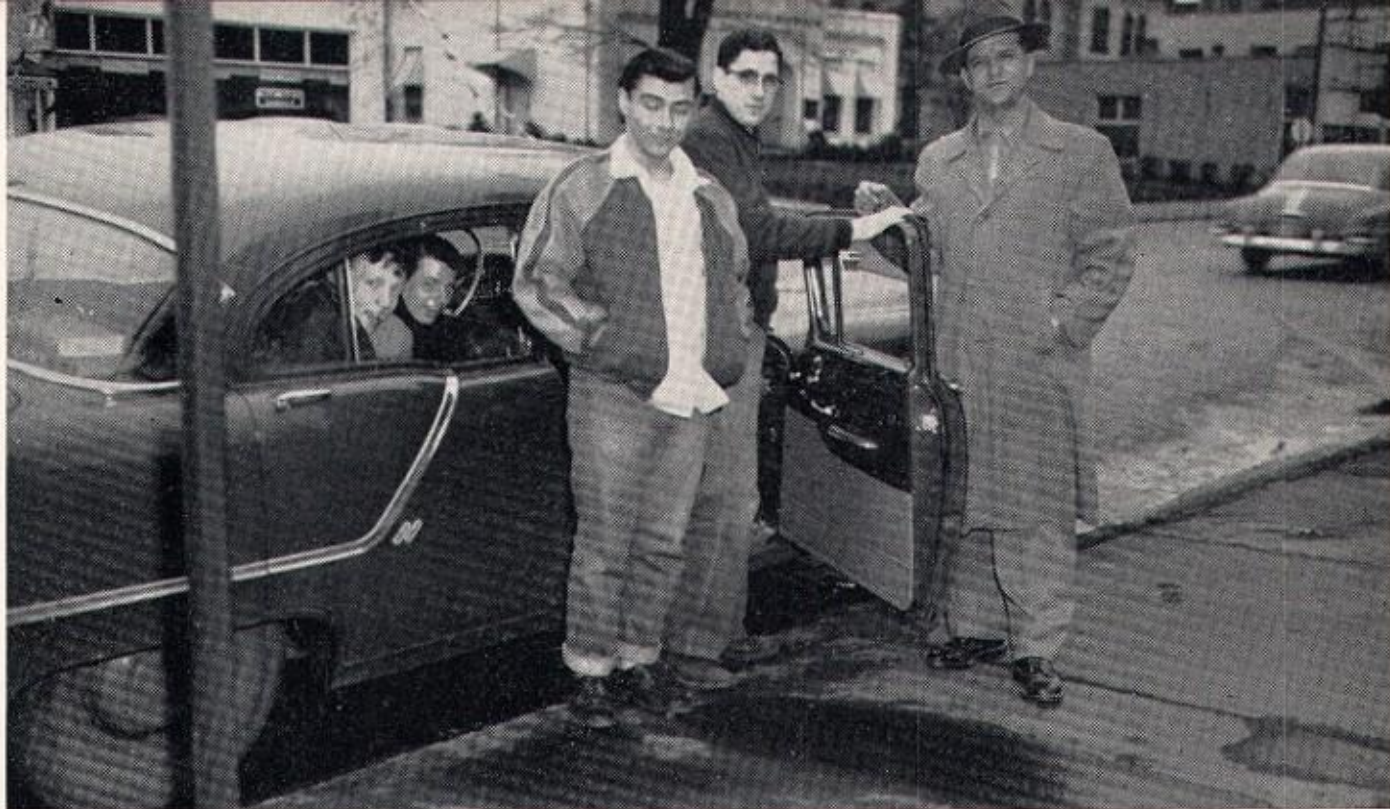

DRIVERS' EDUCATION

John closes his eyes for a moment's prayer before entering the car.

The basic aims of drivers' education is to provide the pupils with the classroom and open road instruction necessary to produce a good driver. With cars donated by local agencies, students are able to practice actual driving after they have mastered the classroom stage. The students are taught the ethics of a good driver and the fundamentals of the operation of an automobile. As statistics prove, students of this course are involved in fewer accidents than those who have not had the training given in this course.

Not even women drivers faze Mr. Vrbancic and Mr. Mokodean, our fearless teachers.

OCCUPATIONS

This course is intended to provide vocational guidance to pupils by presenting the social, economic, and civil aspects of various types of work and a real survey of the basic occupations in the modern world. A term paper, setting forth a detailed survey of the one occupation each student finds most interesting, is written as a project in the latter part of the term.

Pudgie Presents

MISS McKINLEYITE OF 1955

CAROL SNIDER

An outstanding girl who gave very faithfully of her time and energy to the promotion of the school; active in Girls' Boosters, Y-Teen, Student Council, committees, and a hallguard, her radiant smile and cheerful attitude make her a necessity at every occasion.

Pictured in the library is the Girls' Booster Club cabinet. Donna Medoff and Miss Ida Galbreath, advisor, are seated, while in the back row are Judy Rittersbaugh, Carole Snider, Hjordis Fangmeyer, Sally Magee, Doris Greku, and Linda Gerber.

DONNA MEDOFF
Girls' Booster Club President

The Girls' Booster

Remodeling the trophy cases in the main hall, adding a roaring cheering section to athletic events, participating in the Red Gloves project which attracted much attention, and selling pencils, pens, and stadium pillows . . . among other items . . . were the principal projects of the Girls' Booster Club.

Two parties and the Football Dance were the social events of the year, while the club's

main project centered around boosting all teams, publications, and activities.

Miss Ida Galbreath served as advisor for the girls, helping to plan assemblies, rallies, Carnation Day festivities, and all projects sponsored by this active club.

Variety of Interests

Officers of the club were Doris Greku, treasurer, and Nancy Magee, secretary, in the first row. In the second row were Dimitra Bastounis, second vice-president; Linda Elliott, first vice-president, and Donna Medoff, president.

A newly initiated project of the Boosters was the special Red Gloves section at the basketball games. Adding a bit of color to the game, it proved quite a success.

In the front row are Charlene Wise, Carol Eddy, and Jean Goss. Doris Nist and Patty Kirk are in the back row.

Cheerleaders, tumblers, and "Pudgie" assemble at the Massillon game.

Cheerleaders Provide Spark and Energy . . .

Boosting the morale of the school and keeping the students cheering during the games and rallies is the most important job of the cheerleaders.

The year actually started for the head cheerleader during the summer as Jean Goss held practice twice a week, in order to prepare the new "pepsters" for their eventual duties.

Tumblers Carl Baldwin and Juliet Shaheen assisted with their energetic flips and handsprings at the football games.

Although the girls of Miss Ida Galbreath, who is acting advisor, receive comparatively little recognition for their outstanding loyalty and devotion to McKinley, their spirit shall long be remembered by the student body.

Boys' Booster Club

The Boys' Booster Club was very instrumental in the excellent support given our athletic teams this year. Besides taking charge of the pep rallies, they did a good job in keeping the bulletin boards up to date and making pep-inspiring posters for the Massillon game. Along with the Band and Girls' Booster Club, they also sponsored a successful Football Dance honoring the team and the Queen and her court.

Booster Club officers were Fred Scoville, treasurer; George Petroff, secretary; Dave Kaiser, president. Absent was Jim Dreher, vice-president.

The Choral Club Was Vocally Tops...

During the course of the year, the Choral Club has had many activities. Early in the year, the choir journeyed to Dover for a conference on singing. Don Craig from New York was there to criticize and direct the many choirs that were present. The winter months saw the choraliers giving a few performances for the different clubs and organizations in Canton.

Another experience for the Choral Club was the All-Stark County Music Festival in Canton, where many of our singers participated in the select and mass choirs. Donna Medoff was chosen to accompany the select choir.

In the spring, on April 14 and 15, the choir presented its thirty-first operetta performance, "Babes In Toyland." The orchestra, band, and majorettes also took part. They also took part in the Baccalaureate and Graduation exercises.

The Choral Club presented this assembly commemorating the birthday of William McKinley. It was tape recorded for future reference.

This year's Student Council has once again played an important part in the school life of the students. In addition to repeating projects of previous years, such as the Red Stocking campaign, etc., the council sponsored several new innovations this year.

One of the most successful was a Stunt Night program, in which members from the four classes and the faculty participated.

Teams composed of alumni from specific grade schools in the McKinley district went out to the schools in a pre-orientation program for the eighth graders. They advised the grade school students on high school life.

The following officers presided over meetings held once a week: Bob Parkinson, president; Carol Snider, vice-president; Anna Mary Ciraci, secretary; and Judy Barnes, treasurer. Miss Elizabeth Motschman acted as faculty advisor.

Future of Seniors...

College Club officers were Bennett Cohon, president; Don Soldatis, vice-president; Susie Cherry, secretary; John Eberhard, treasurer.

To instill interest of McKinley High students in going to college is the purpose of the College Club. The club met twice a month under the supervision of Miss Walton. A number of speakers enlightened the members on different aspects of college and of things to do on the campus. Various talks also were given by the students on occupations which they already had chosen for themselves.

First Row: Stuart Bloom, John Eberhard, Richard Hunt, George Maksim, Jack Myers, Kenny Zians.

Second Row: Jerry Jacobs, Leon Primack, Philip Kousaie, Melvin Schwarzwald, Pete Parker, James Dager, George Hissong, Paul Mondok.

Third Row: Larry Schlote, Bob Noonan, Bill Zinn, Dave Hursh, Jack Ackerman, Irvin Katusin, Ben Cohon.

Fourth Row: Ronald Franck, Don Soldatis, George Petroff, Leonard Knell, Bob Parkinson, Roy Nichols, Glen Thatcher, Dick Hawk.

MARCHING BAND

First Row: Majorettes were Klainski, P. Erickson, J. Erickson, DeYarmon, Kuligowski, Von Wyl, Johns, Stephan, Hershell.

Second Row: McLaughlin, Tharp, Pope, Volzer, McNeal, Hodel, Rose, Moore, Linerode, Antonio, Royer, Lowther, C. McLaughlin, Wigal.

Third Row: Auvil, Falconer, Riechenbaugh, Trump, Urie, Daghir, Speck, Russ, Schaub, Slack, Baxter, VanVoorhis.

Fourth Row: Plottner, Cassel, Andrews, Rechtenwalt, J. Kaiser, Hite, Sharp, Doetzel, East, Oppenheim.

Seventh Row: Ringenbach, mgr., Marshall, Tolson, Vinci, Hackley, Profant, Hawk.

PEP BAND

The Pep Band provided the musical background for the assemblies.

SWING BAND

The '55 version of the Swing Band was one of the finest ever produced at McKinley, and during the year played at school dances and for other schools.

Front Row: Dolores Hite, Faye East, Janice Doetzel, Janice VanVoorhis, Dave Kaiser.

Back Row: Bob Hackley, Hank Urbach, Gene Profant, Dale Amstutz, Larry Zagray, Dick Hawk, Al Vinci, Bill Becker, Bill Barron, Bob Clatterbuck.

Band Variety Show saw Delores Hite, Hank Urbach, and Janice Doetzel featured in a trumpet solo, "Bugler's Holiday."

A humorous take-off on Liberace and George was portrayed by Bob Ringenbach and David Kaiser in another skit at the variety show.

With the innovation of a separate boys' and girls' band, the Marching Band created a new and interesting effect. Either the boys could play and the girls perform, or vice-versa. During the marching season, the band consisted of sixty-four members, plus eight major-ettes and a drum majorette.

After the season, the band prepared for the gigantic Spring Concert, under the direction of Mr. R. Donald Stump.

Band officers were Al Vinci, president; Larry Zagray, vice-president; Frances Klainski, secretary; and Pat Antonio, treasurer.

ORCHESTRA

The School Orchestra consisted of the following: Violins—Cherry, Schaub, Connor, Walters, Falconer, Pavlides, Price, Beyer, Hoffman, Salewsky, McCoy, Charney. Viola—Brooks. Cello—Royer, Shelley, Wigal, Cook. String Bass—Daghir, Amstutz, Lago. Bassoon—Vinci. Flute—Antonio, White. Oboe—Linerode. Clarinets—Rose, Barron, Kaiser, Felty. French horns—Trump, DeYarmon, Baxter. Trumpets—Doetzel, Hite, Urbach. Trombones—Zagray, McLaughlin. Percussion—Becker, Kaiser. Piano—Urdea.

The Orchestra furnished music for the Operetta, Spring Festival, Graduation, and the first Band Preview. All was not work for band members, however, as they enjoyed the Military Ball and the band parents' wiener roast.

National Forensic League officers for the year were Norman Frank, recording secretary; Bill Zinn, vice-president; Stuart Bloom, sec'y-treasurer; and Melvin Schwarzwald, president.

Speech and Debate

The McKinley chapter of the National Forensic League, the honorary high school speech organization, is one of the largest and most active in the entire country. McKinley has always had at least one member rated as a top speaker in the organization's magazine, *The Rostrum*. Mel Schwarzwald is among the top ten students out of 600 high school chapters.

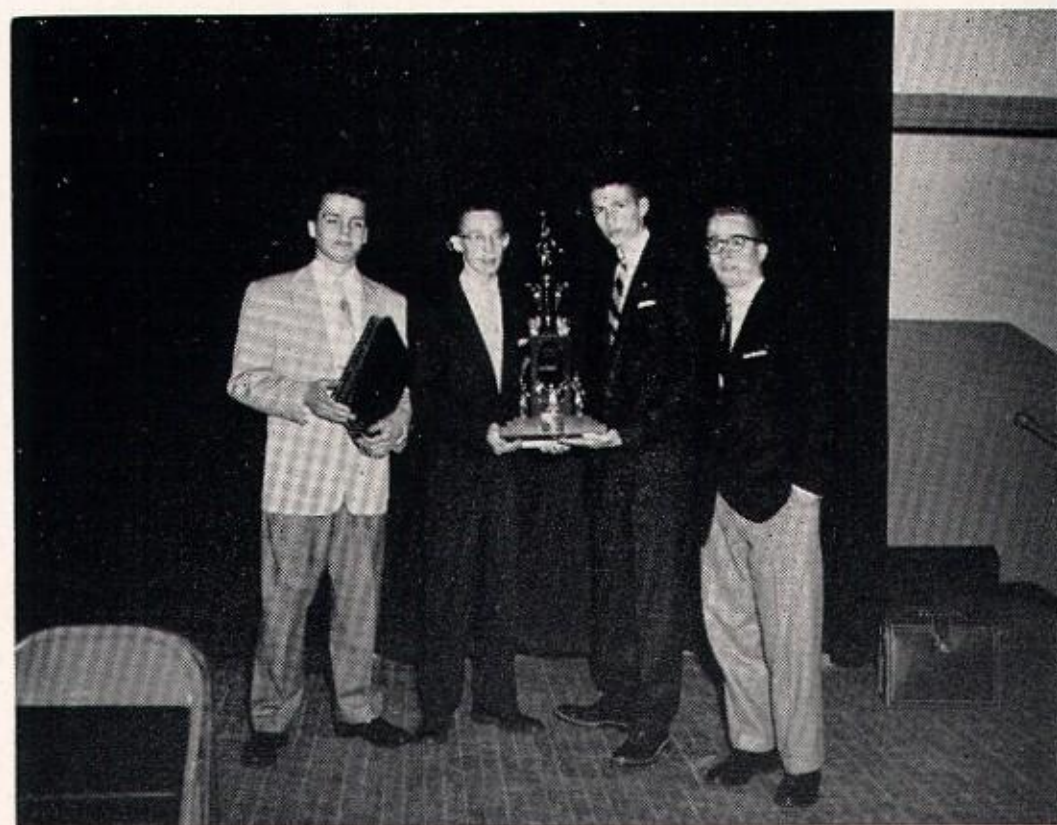

Under Robert C. Pfendler, speech and debate coach, the NFL's 40 members represent the Red and Black at tournaments throughout the state and compete in two district events for places to the state and national speech tournaments. The Pups' chapter sponsors the McKinley annual debate tourney, which is among the largest in the country. This year's trophy was awarded to Newark High School.

Student speakers anxiously await the results of the round at the huge McKinley tournament. Mr. Pfendler, as host, is shown making the tabulations on the school stage.

Speakers Sweep District! Send Nine to State Finals

McKinley had a good record this year as they won the Canton South debate tourney and the Ohio High School Speech League district debate trials. In fact, the speakers won all nine possible entries at the district to enter the state finals at Columbus. Many individuals won first place trophies or medals at individual events meets. Outstanding speakers include Donna Medoff and Larry Schlote, extempore; Linda Gerber and Susie Cherry, original oratory; Stuart Bloom and Cynthia Ackerman, oratorical declamation; Mary Mazeall, Esther Kamenetsky, and Bennett Cohon, humorous declamation; DeLyte DeYarmon, dramatic declamation.

Last June, Jack Rice, who qualified for the national tournament at Greensburg, Pa., won a

trophy for taking second place in original oratory in the entire nation. This fine showing added the final points needed to bring to McKinley the coveted Tau Kappa Alpha Trophy, which is earned only by the cumulative points earned by student speakers from a school who qualify for and compete in the national speech tournaments.

This March, Bill Zinn and Jack Ackerman, McKinley debaters, talked their way to the nationals being held in San Jose, California, in June of this year.. They out-talked fifteen other teams to win the District NFL Debate Trophy, while in the same tournament Stuart Bloom won the first-place trophy in oratorical declamation.

The NFL also has several social events, including a banquet and party in the spring.

Service League Proves Helpful

The Girls' Service League was composed this year of 35 girls who were chosen at the end of their junior year for maintaining an average of ninety or above.

The girls' first duties, after being initiated at a picnic in Waterworks Park, were to usher for Class Night, Baccalaureate, and Graduation.

This year, the club served by ushering for the Fall Play, the Operetta, and at the "Holiday on Ice" show which was presented at Memorial Auditorium. The league helped underclassmen who were having difficulties with their studies, sent cards to ill students, gave a Thanksgiving basket to a needy family, and sponsored a toy drive for underprivileged children at Christmas.

Girls' Leaders Club

Bishop sells toilet paper for a penny a "section" as part of her initiation.

The Girls' Leaders Club is comprised of approximately forty girls from gym and swimming classes.

Leaders are required to maintain scholastic averages of 75 and better. Leaders are selected for their ability to instruct pupils in basketball, soccer, tumbling, and volleyball, and also their own athletic capabilities.

Besides sponsoring the annual Yale-Harvard basketball game, the club was host to Canton and area Girls' Leaders Clubs for the All-City Play Day held at the fieldhouse.

The girls created quite a traffic jam in this scene as they overran a taxi and caused inquisitive drivers to stop and look. It was all innocent fun, though.

The Art League is a group that is interested in art. Visits to the Art Institute, Stern and Mann's art department, various speakers, and a picnic in the spring were on the agenda for the club during the year.

This club is often called upon to make posters which are placed on bulletin boards. Officers were Mary Alice Cojocar, president; Pat Hensel, vice-president; Mary Rogers, secretary; and Judy Kutrieb, treasurer. Advisor was Miss Key Wenrick.

Camera Club

Under the guidance of Mr. Ralph Buchanan, the Camera Club sponsored a number of programs of special interest to beginners in photography. Student officers were Stuart Phillips, president; Jack Jacobs, vice-president; John Frazier, secretary-treasurer; and Mitchell Bloomfield, activities director.

Highlighting this year was "Camera Night," a three-hour program to which members brought their camera equipment. Various camera and processing techniques were discussed by members proficient in that field.

Latin Club

An increase in members and social gatherings has made the Latin Club a success for this year. The object of the club is to encourage the interest of Latin students and allow them to receive the full enjoyment of Latin.

The annual Latin style banquet was held at the Y. W. C. A. All Latin teachers were invited. A fine Christmas party was given to celebrate the Roman Saturnalia. Next year the club hopes all Latin students will become member and make Latin a living language.

The Graphic Arts Club is an honorary club sponsored by the second year printing boys. To be eligible for membership, one must develop leadership qualities. Other requirements include good grades in printing and outstanding character traits. The discipline of the Print Shop classes is handled by the club members in a very democratic way of self government. Highlights of the year included a doubleheader baseball game in Cleveland and a picnic the latter part of May.

Junior Red Cross

Junior Red Cross activities centered around the American Red Cross theme, "Volunteer for Service."

After the membership drive in November, various projects were completed to further this theme. Among these accomplishments were the packing of a gift chest with the money collected from tax stamps, working as Staff Aides, and conducting a tax stamp contest.

Officers of this organization, consisting of home room representatives, include Donna Medoff, president; Adele Warren, vice-president; Hank Urbach, secretary; Judy Kaiser, treasurer. Ann Leven was appointed the freshman representative to the Red Cross Chapter High School Council.

Our Future Teachers

To inform prospective teachers more about the teaching profession and to cultivate character qualities essential in a good teacher are the main goals of the J. L. G. Pottorf Chapter of the Future Teachers of America.

Among the special projects sponsored by this club during the year were a tea for mothers of F. T. A. members, a bake sale, and the annual Scholarship Recognition Day assembly, when students having averages of ninety or above were honored.

A Junior F. T. A. Club also was begun, which consists of about 75 grade schoolers interested in entering the teaching profession.

This year, more than ever, the members were called upon to serve as teachers in the elementary schools. This gives the students an excellent opportunity to explore the possibilities of the teaching profession.

Miss Inez Summers and Miss Ethel Swinehart are advisors to the club.

Projection Club

Members of the Projection Club operated the movie machines for classroom use throughout the year. Under the direction of Mr. Arthur Rittersbaugh, club advisor, they also ran movies for the Adult Booster Club and other organizations.

Librarians

The library staff is indispensable in keeping the routine of the library going. They are responsible for the complete operation of many of the daily tasks. In this they make an important contribution to the life of the school. Officers of the group this year were Betty Fletcher, president; Sue DeMarzio, vice-president; Carol Vince, secretary; and Maria Cosentino, treasurer.

Librarians

DRAMATIC CLUB

The Dramatic Club is composed of those who are interested in developing and furthering their dramatic skills. Meetings are held monthly, at which time pantomimes and plays are performed for the entertainment of the members.

The Thespian Club, Troupe 310, is a part of a national organization. To become a member, you must earn at least two credits, by appearing in plays or performing useful services to the club. The Thespians also have monthly meetings, and they prepare programs which are suitable for use in performances for organizations outside the school.

The advisor for both the clubs is Miss Iris Haverstack. The Thespian and Dramatic Clubs together put on one big production a year called the Fall Play. This year's production was "Shubert Alley," under the direction of Miss Haverstack.

Future Nurses Club

The purpose of the Future Nurses Club, McKinley's newest organization, is to better acquaint all boys and girls interested in a career in nursing or other medical and technical professions.

During the year, members took field trips to Aultman and Mercy Hospitals, sent toys to the retarded children at Christmas, and heard several guest speakers who were specialists in their fields.

The membership of the club, which exceeds 50, all wear small sterling silver F. N. C. pins which were given to them at a tea sponsored by the Women's Medical Auxiliary, which is sponsoring all of the newly-formed Future Nurses Clubs in the city high schools.

Boys' Leaders Club

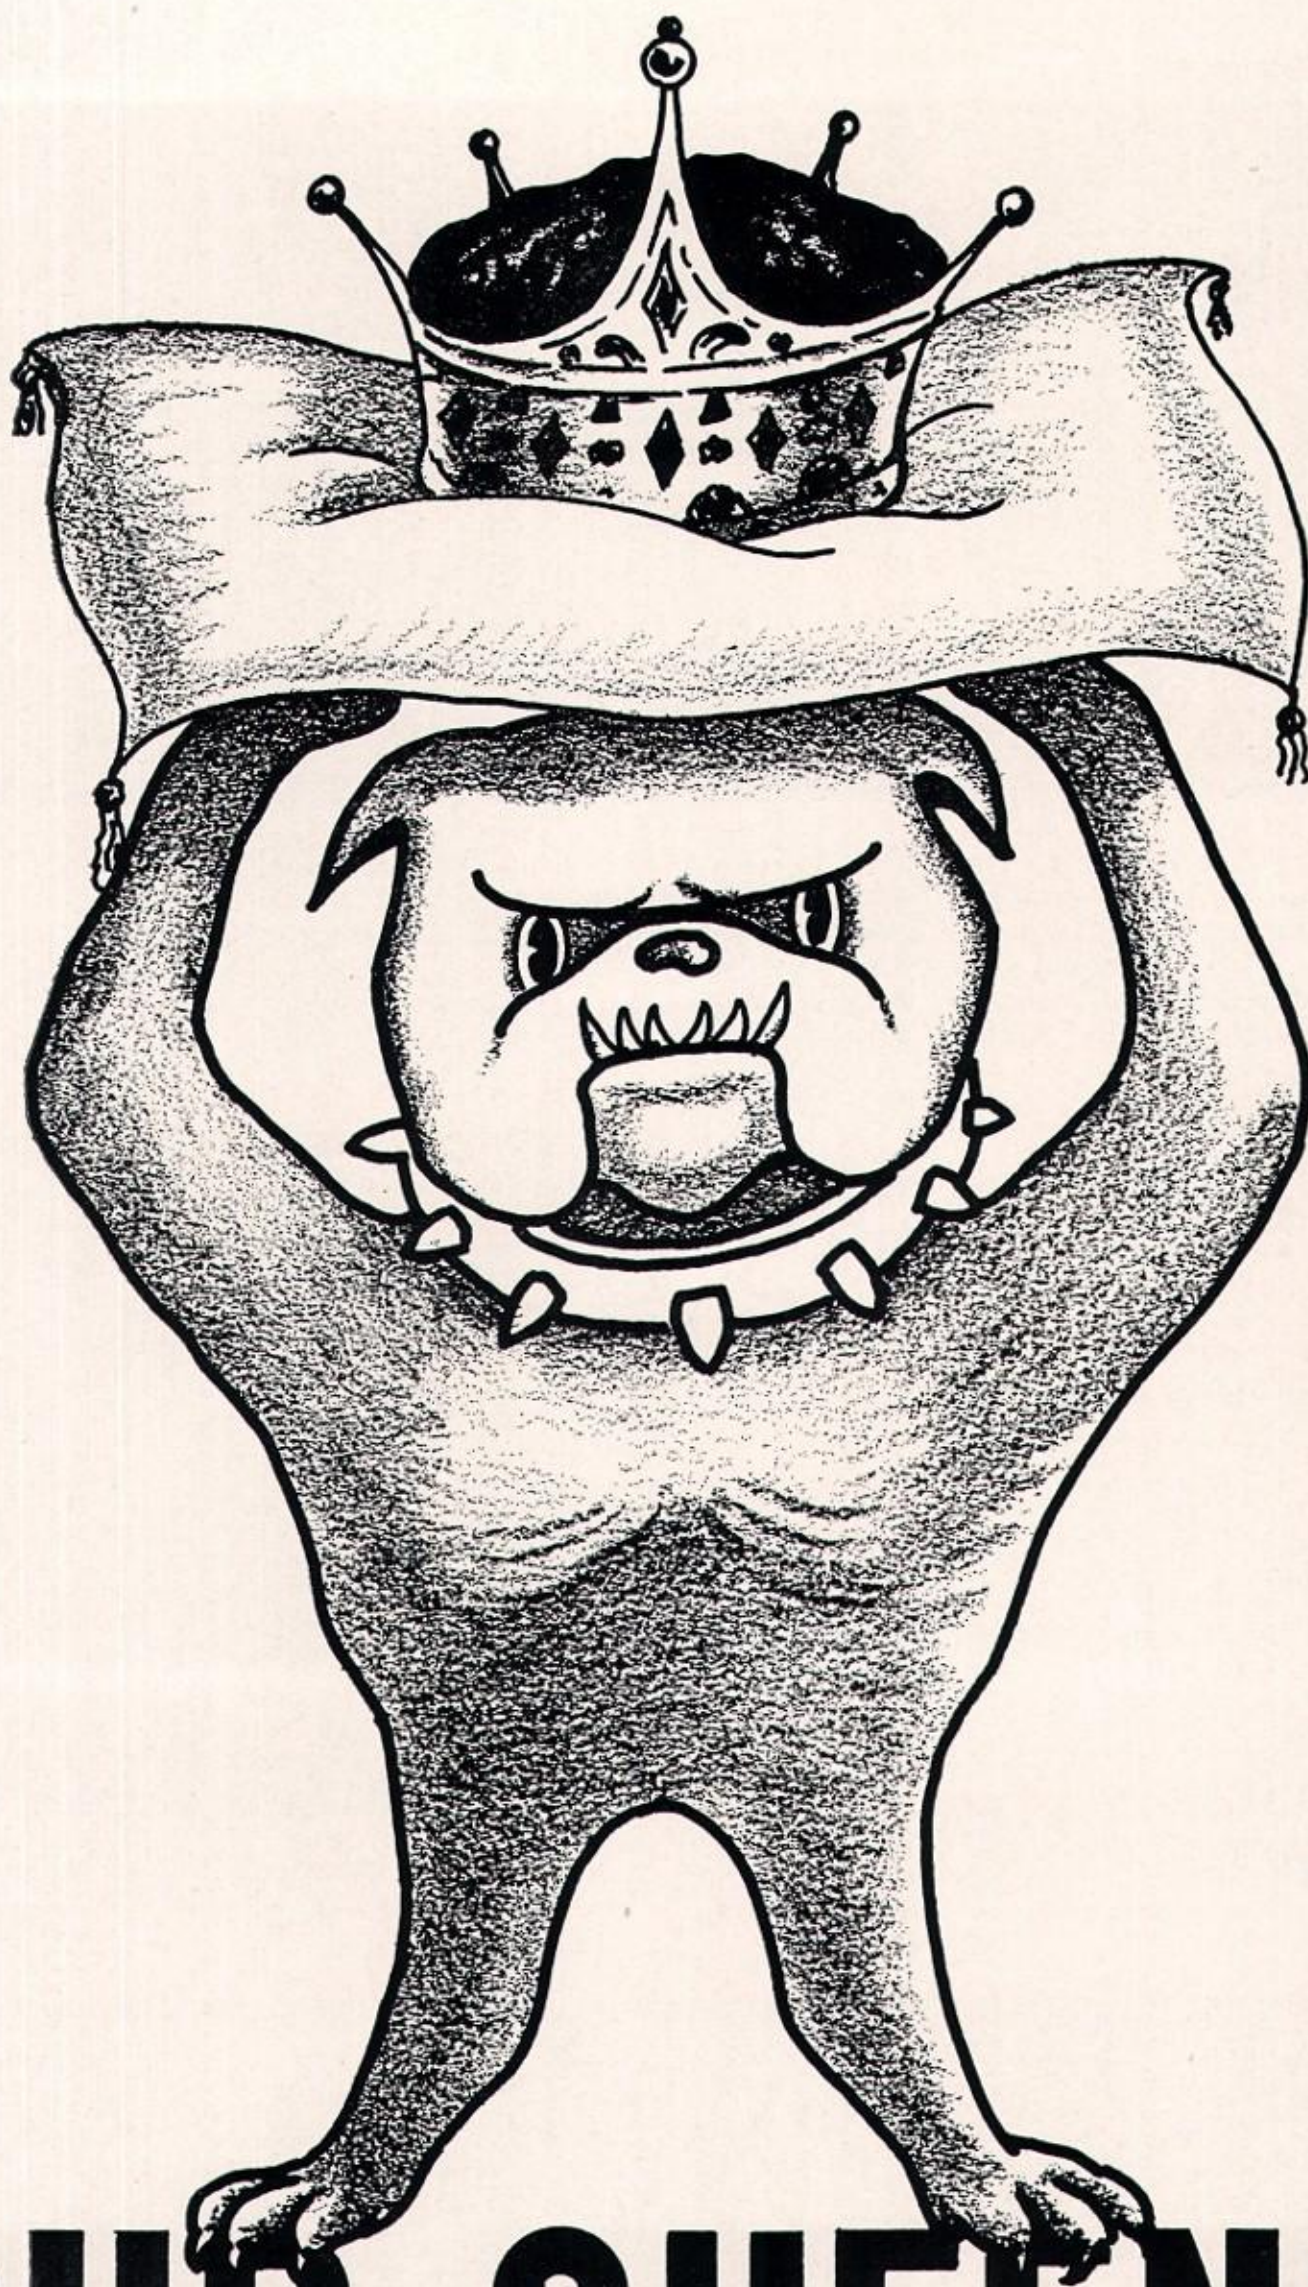

Interest was revived in the Boys' Leaders Club this year and the group was organized into a thriving, growing club.

"Is it really that hard Dan?" A difficult maneuver on the high bar is performed by Dan Trifelos.

A human pyramid is formed by our Boys' Leaders. "No slipsies, fellows!" This might well be the thought in their minds as they work out on the parallel bars.

The boys line the benches in preparation for their last-minute instructions.

Beginning their second year under the coaching of Wade Watts, the Bulldogs were rated second in the state in the pre-season poll and the team with the best chance to take the state championship from Massillon. They started off in grand style, taking the prevue game from Newark, 13-0, with the entire team making a good showing. Nat Harris scored once on a plunge through the middle and also converted, while Goodrich threw a 34-yard pass to Ernie Sheeler in the end zone for the other touchdown.

Barring injuries, and with consistent improvement, a fruitful year was expected for the Bulldogs.

Bulldogs Crush Cleveland Lincoln, 55-0

Led by John Goodrich, Don Garman, Nate Harris, and Ernie Sheeler, the Bulldogs trounced the Cleveland Lincoln Presidents, 55-0. Goodrich scored four touchdowns and passed to Ernie Sheeler for another. Sheeler scored again on an end-around play. Garman hit paydirt twice on runs of 1 and 10 yards, while Harris made 7 out of 8 conversions. After running up a 48-0

The year's biggest controversy centered around this picture. The officials said Jackson was out of the end zone when he caught this pass against Alliance. What do you think?

lead in the first half, the Pups used mostly reserve material in the second half. Not since 1949, when they defeated Steubenville 61-6, have the Pups amassed such a score.

Statistically, the Bulldogs gained 401 yards from scrimmage, 111 of those via passes, with a 9 for 17 completion record. The Presidents gained only 33 yards and 3 first downs, those coming midway in the third period. Goodrich carried for 150 yards in 18 tries, while Nate Harris had 66 yards in 7 carries.

Probably the greatest play of the game, even though nullified by a penalty, was late in the fourth quarter when Garman flipped a long pass to Herm Jackson in the end zone. Jackson, although covered by three men, just reached up one big hand and pulled it in.

Pups Upset by Warren Panthers, 7-6

After starting the season in grand style, the Pups went down to defeat at the hands of the Warren Panthers, 7-6.

The Bulldogs were troubled with fumbilitis as they lost the ball many times when they were

A dejected man stares blankly at the Massillon turf.

Coach Nutter confers with the scouts and spotters in the press box concerning the placement of men, distance apart, etc., but it proved fruitless.

Johnny Goodrich hurdles the line in an attempt to break into the open. Here the action takes place against Lincoln, and, as usual, Goodrich was the star. He scored twice, completed four of eight passes, and ran 134 yards from scrimmage.

near paydirt. They looked good on their 45-yard drive for their lone touchdown, but when Nate Harris missed the try for point, that was that. It seemed as though the Pups had it all wrapped up in the last period when they made it to the Panthers' 1-yard line. But here the Warren team put on a tremendous goal-line stand to hold off the score. The one bright spot in the Pups' lineup was tackle John Kompara. Warren coaches praised the big boy highly.

McKinley threw only five passes, being persistent on power plays. They completed two, one going for 8 yards and the other going for 14. The latter was the only Bulldog pass thrown in the second half. The only thing the Bulldogs did lead in was first downs, having eleven to Warren's seven.

Pups Trounce Intra-City Foe, Timken, 40-7

Long runs were the feature in the McKinley attack as the Bulldogs defeated Timken, 40-7.

After being held to two touchdowns in the first half, the Pups broke loose for two in each of the following quarters. Fullback Nate Harris scored one on a 54-yard jaunt down the sidelines and another after Chuck Clawson blocked a Timken punt. Goodrich also scored on runs of 63 and 25 yards. Ron Perdue broke into the scoring column by intercepting a Timken pass and racing 35 yards to paydirt. The Pups tallied their final TD on a 25-yard scamper by Fraker Jackson in the final period. Timken scored its only tally on a plunge from the 1-yard line.

This proved to be the final game against Timken as the series was discontinued by the Trojans because they believed they could no longer compete with McKinley.

Bulldogs Finish Third;

Long Runs Feature Win Over Canton Lincoln

John Goodrich led the Bulldogs to a 33-7 win over the Lincoln Lions by passing for three TD's and scoring two himself. His scores came on runs of 65 and 2 yards. He passed to Sheeler for 50 yards and to Herm Jackson for 20 and 50 yards, Jackson catching the latter over his head on the dead run. Lincoln scored its only TD on a 30-yard pass play.

The team looked good, except that they fell for the sucker shift three times. They completed four of eight passes and had 11 first downs. This gam raised their point total to 132—32 more than they made all last year.

Journey to Springfield Nets 26-7 Victory

The Bulldogs, led once again by John Goodrich, romped over Springfield's highly-rated Wildcats, 26-7, on a rain-soaked gridiron.

Capitalizing on Springfield bobbles, the Pups scored three TD's in the first half and one in the second. Goodrich bulled over from 3, 6, and 1 yard out, while Nate Harris crashed over from the 2. Three of these TD's came as the result of Wildcat fumbles. Springfield's only tally came when its fleet back, Willie White, broke away for 65 yards. The win gave the Bulldogs a record of four wins and one defeat. With this win, the Pups took over third place in the state poll.

Pups Blast Big Red for Fifth Win

The final score does not show just how badly outclassed the Big Red was. Before two minutes were gone in the first quarter, the Pups had scored three times.

Led again by John Goodrich with three tallies and an extra point, the Pups also had three scores called back by penalties. Ron Carnahan scored first on a 28-yard jaunt around end. Seconds later, Sheeler caught a blocked punt and scored, and when Jim Dreher covered a Big Red fumble, Goodrich quickly took it over for the third TD. Perdue grabbed a Steubenville pass and three plays later Nate Harris bucked over from the 2. In the second and third quarters, Goodrich tallied from the 5 and the 2. The last quarter finished the scoring, with Robert Williams going 87 yards and Fraker Jackson scampering 67.

Pups Rated No. 1 After 26-6 Pasting of Alliance

Sparked by tailback Johnny Goodrich, the Bulldogs spanked the previously unbeaten Alli-

Lose Championship to Massillon in Finale, 26 to 6

ance Aviators, 26-6. Goodrich stole the show entirely. He gained 118 yards in 25 carries, completed 9 of 16 passes for 113 yards, scored two touchdowns and an extra point.

The Pups took the opening kickoff and drove 77 yards, with Goodrich slashing over from the 2. They covered a short kickoff on the Alliance 47 and four plays later Goodrich scored again. In the fourth quarter, Sheeler threw a 17-yard pass to Herm Jackson for one score. The Pups' final tally came on a 1-yard plunge by Frasker Jackson. The Aviators' only score came on a 21-yard scamper by Tom Barnett. Each team had a couple of touchdowns called back.

The Bulldogs had a 16-5 margin in first downs and completed 10 of 18 passes to Alliance' 2 of 10. The win was the sixth in seven games for the Bulldogs. Ranked as the game of the year, the Bulldogs squelched the Alliance running game and took a tremendous stride toward the state championship.

Erie Academy Drubbed, 66-0

It was strictly no contest as the Bulldogs, No. 1 in the state, rolled over hapless Erie Academy, 66-0.

McKinley opened the scoring on a 12-yard pass play from Goodrich to Jim Dreher. Frasker Jackson scored on a 17-yard run and also on a lateral from Goodrich. Herm Jackson and Sheeler then scored on passes of 40 and 17 yards, respectively, to end the half.

The third period found Herm Jackson scoring on a 39-yard pass play and Rom Grimsley bucking over from the 3. In the last quarter, Garman hit paydirt from 11 yards out and passed to Bob Williams for another score. Ron Grimsley finished the scoring when he dashed 50 yards in the waning seconds of play.

Bulldogs Spill Akron South, 33-0

The Bulldogs, led once more by senior tailback Johnny Goodrich, prepared for the finish of a fine season by walloping Akron South's Cavaliers, 33-0.

Goodrich scored the only touchdown of the first half when he circled end for 5 yards and the TD. In the third quarter, Nate Harris went 32 yards for the score. Goodrich scored twice more on runs of 2 and 5 yards. The final tally came on a pass from Goodrich to quarterback Jim Dreher. Harris booted three extra points. Coach Watts used his reserve strength for most of the last period.

McKinley 6, Massillon 26

The Bulldogs were completely outplayed as the Massillon Tigers went over and around them by the tune of 26-6 in the battle for the state championship. As a result of this loss, the Pups dropped to third in the state behind Massillon and Alliance. The contest was played before 21,391 screaming fans.

The key to the Bulldog loss lies in the fact that Jim Dreher, Pup quarterback and signal caller, was injured on the first play from scrimmage. As a result of this, the Pups were without an experienced signal caller and this hurt them tremendously.

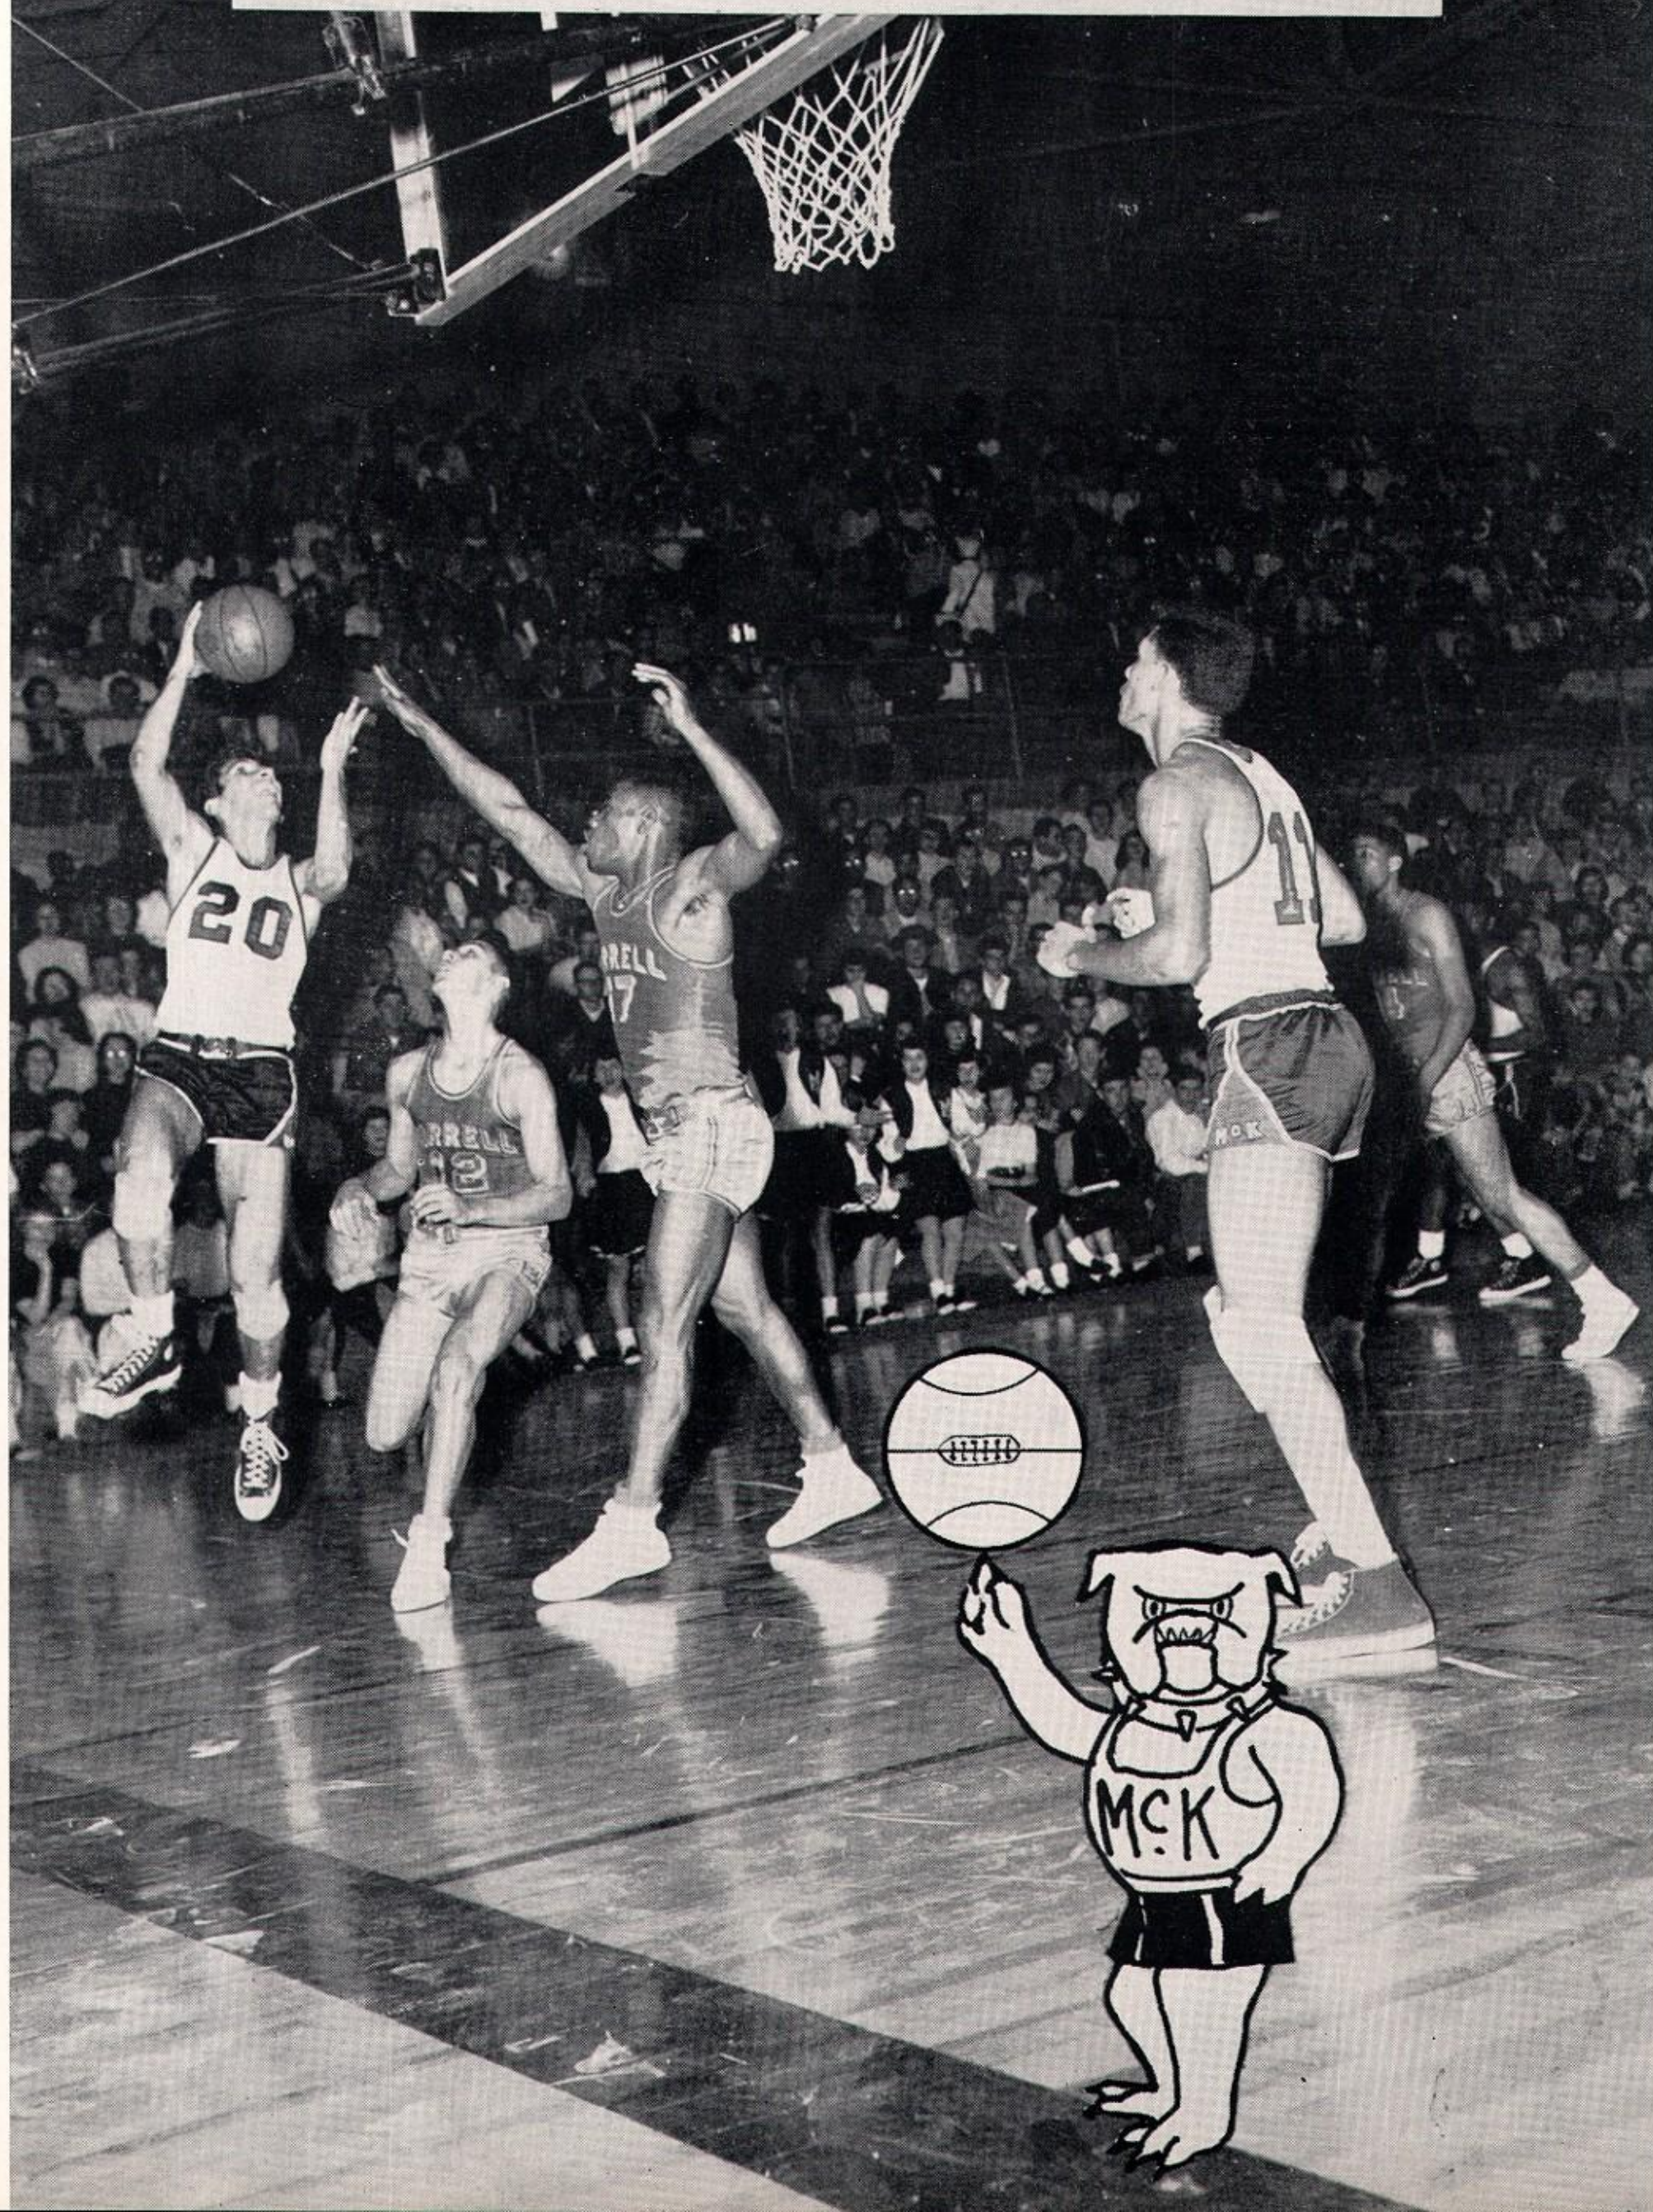

In the scoring department, the Bulldogs were not able to stop Homer Floyd and Jerry Yoder. Floyd literally tore the line to shreds as he had an average of 8.1 yards per carry. Yoder scored the first Massillon TD when he crashed over with 55 seconds left in the first half. The next two tallies were by Floyd as he hit paydirt from 28 and 13 yards out. The final Tiger score came when quarterback Rich Crescenze passed to end Bob Williams for 5 yards and the TD. The Pups got their only tally on a 14-yard aerial from Goodrich to Herm Jackson in the last period.

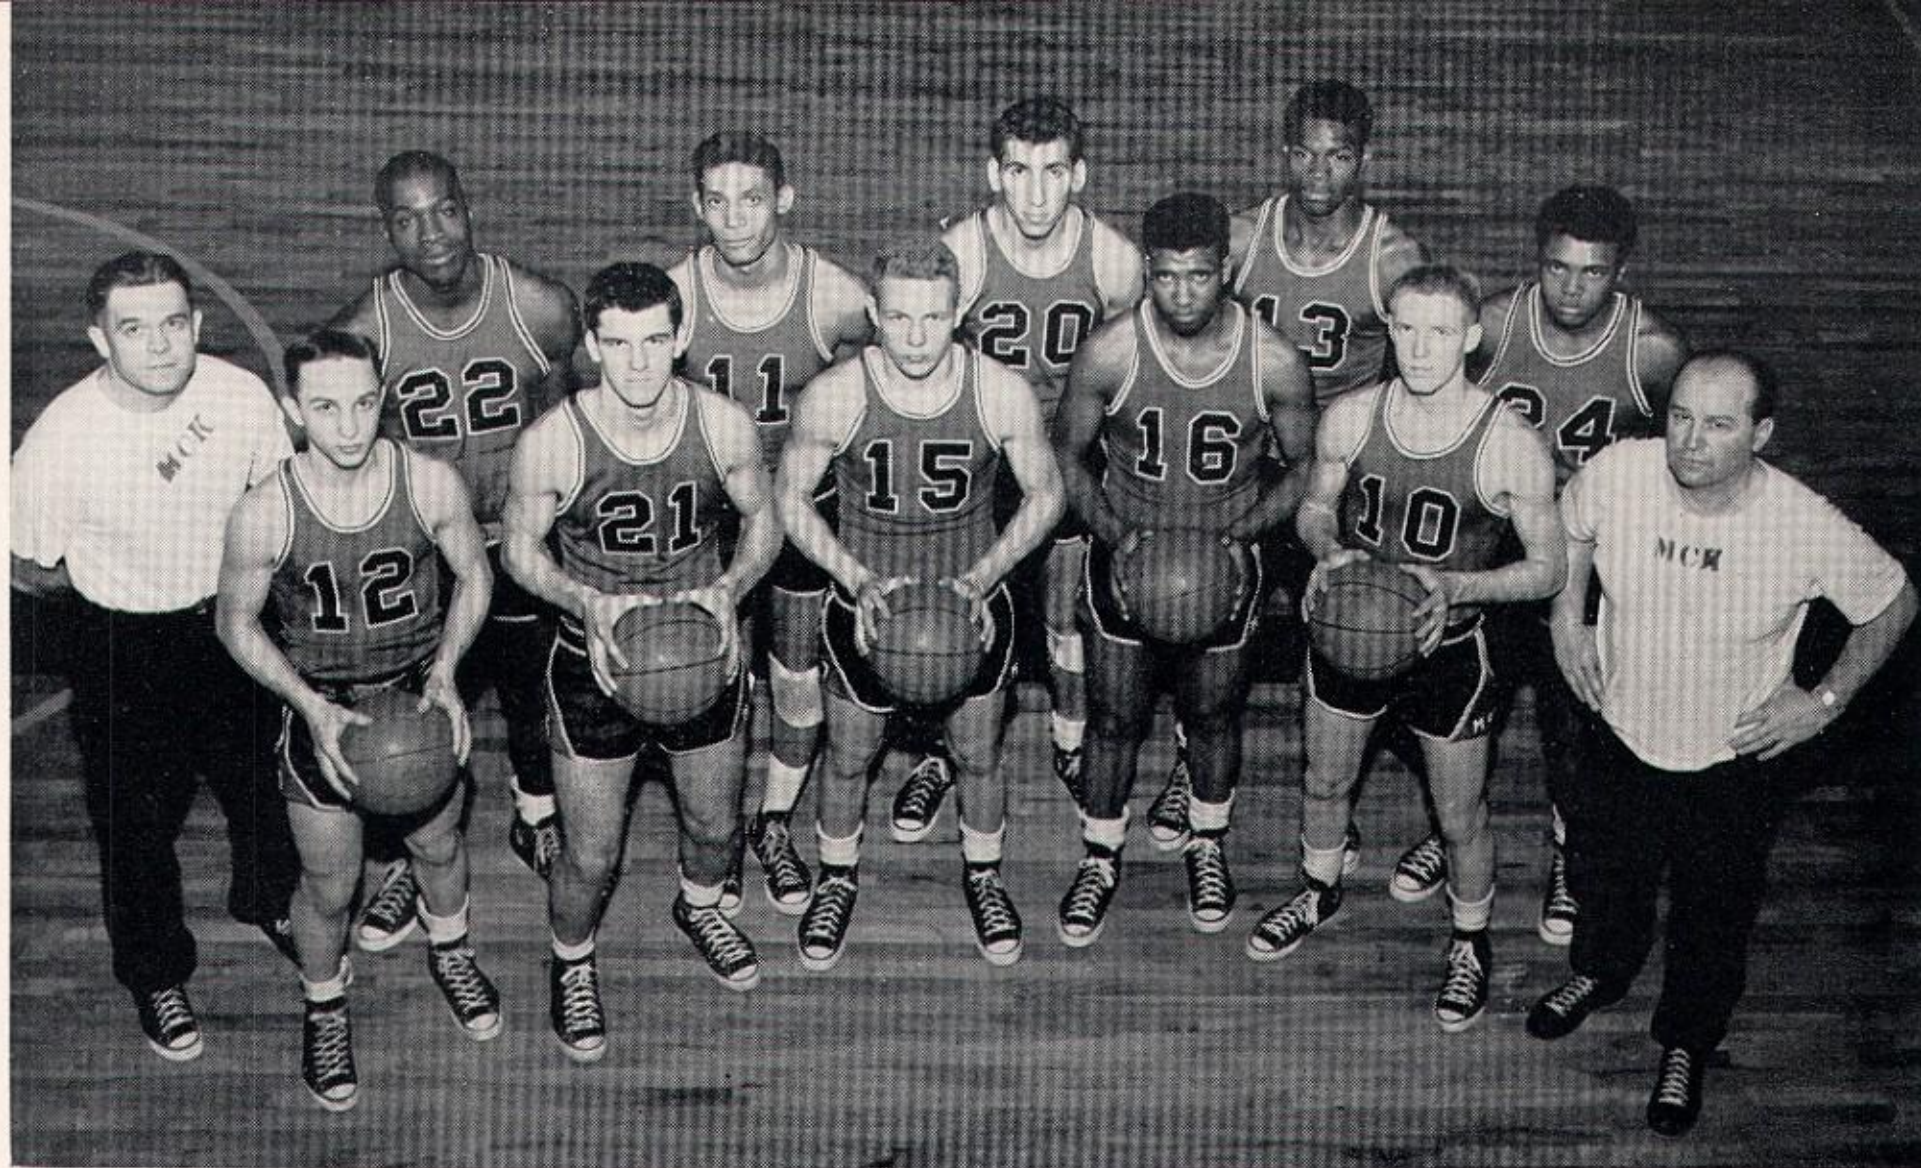

The Bulldogs completed only 4 of 16 passes and had 4 intercepted, 3 by Floyd himself. McKinley gained only 123 yards compared to Massillon's 380. They gained 92 rushing and 42 passing. Massillon had two penalties for 20 yards while the Pups had three for 15 yards. McKinley punted five times for a 28.2 average while the Tigers booted only twice for an average of 11 yards. Massillon made 18 first downs rushing and 1 passing. The Pups were simply an outclassed ball club all the way, despite the fact they entered the classic as a one-touchdown favorite.

A jubilant bunch were these boys after their smashing 26-6 win over top-rated Alliance. This moved the Pups to the top of the heap until they ran out of gas in the Massillon game.

Since Coach Rearick began holding practices almost as soon as last year's tournament was over, an extremely fruitful year was expected for the Pups.

Almost all the expectations were fulfilled as the Bulldogs won their first five games before losing to Farrell, Pa., the team that beat the nation's number one scholastic team, Philadelphia Overbrook. Farrell's win stretched their winning streak to 30 consecutive games.

The Pups then proceeded to down their next nine opponents and then lose their next-to-last game to East Liverpool on the Potters' home court. In the season finale, they dropped Timken to retain the city title.

Leading the way for McKinley this season was Perry Thompson, a junior, who tallied 256 points, followed by big Herm Jackson with 220 and Leonard Knell with 191. The men out front were Kenny Bandi and Paul Stubbs, with Milan Zimer replacing the latter when he became ineligible because of his age. Bench strength was in the form of Larkin Bryant, Ron Perdue, Clayton Zupp, Bob Williams, Duane Worthen, Bob Hackley, and Jim Matthews.

Following the regular season, the Pups entered the sectional tournament as the No. 1 seeded team. They seemed intent on proving this as they smashed North Canton, 67-38, and then power-housed their way over the Louisville Leopards, 75-29. This was followed by a 60-56 victory over Canton South, sending the Bulldogs to Kent for the district tournament and also to their downfall. They met their Waterloo in the first game as they dropped a squeaker to Cleveland Glenville, 69-67, in overtime.

Thus the Pups came to the end of the tournament trail and finished a highly

successful season with an 18-3 mark. A resume of the top games of the season follows.

58 — Fort Wayne, Indiana — 56

In the third game of the season, the Bulldogs hit their peak as they turned back Indiana's third-ranking quintet.

Although Ft. Wayne had two boys each 6' 6", the Pups outfought and out-shot them for a 41 per cent average from the field. Even though Jackson and Thompson were lost on fouls, McKinley managed to get the majority of rebounds. Jackson and Thompson each had 15 points while Bandi had 13.

46 — Farrell, Pennsylvania — 60

After a bad first half, the Bulldogs came around too late to do anything about the brilliant Farrell Steelers.

Farrell's ball handling was a dream. Not a big squad, they controlled the boards most of the way. The Bulldogs just didn't come alive soon enough. Thompson paced the Canines with 14. Pennsylvania's defending state champs also had the distinction, in their long winning streak, of pinning the worst defeat on a Rearick-guided team in many years.

71 — Warren — 47

The Bulldogs exploded with a great scoring display to take their seventh game in eight starts.

"Where's the ball, boys?"

Zim walks dejectedly toward the bench as Stubbs comes in to replace him.

The Pups dumped in 26 of 51 shots to Warren's 13 of 55. They were led by Thompson with 27, while Knell and Bandi potted 15 apiece and Bryant 10.

61 — East Liverpool — 69

The Pups lost their first game of the season to an Ohio quintet as the East Liverpool Potters turned the trick, 69-61, on their home floor.

George Parfitt was the difference as he led the Potters with 27 markers and played the entire second half with four personals. The Bulldogs hit 43 per cent of their shots to Liverpool's 40, but the Potters did better at the charity stripe as they sank 19 of 29 to the Pups' 11 of 20. Knell had 18 for the Bulldogs while Perry Thompson and diminutive Milan Zimer had 12 each.

40 — Timken — 33

McKinley finished the regular season by defeating Timken's Trojans, 40-33, in a game for the city championship. The Pups ended their season with a 15-2 record.

The game turned out to be a highly spirited contest and, as the lead see-sawed back and forth, tempers flared and Timken's Blackledge was ejected from the game. Leading the way for the Bulldogs was Thompson with 14, followed by Bandi with 12 and Jackson with 9.

Herman spreads his giant wing span in an attempt to pick off a rebound.

Four hands and a jump ball as the action was hard fought in the Massillon game.

60 — Canton South — 56

(tournament)

McKinley defeated South, 60-56, and gained a berth in the Kent district tournament. It was a tight game with McKinley leading by a good margin until the last quarter when South almost tied it up but didn't have enough steam.

Leading the Pups was "Hands" Jackson, canning 16 points, while Bandi had 14, Thompson 13, and Knell 11.

67 — Cleveland Glenville — 69 (overtime)

(tournament)

Hopes for a state title were rudely jolted as the Pups took a 69-67 loss at the hands of the Cleveland Glenville Tarblooders in an overtime thriller.

The Bulldogs played sloppy ball and many times left a Glenville man loose under the basket. The Pups were behind the whole game but finally caught up as Jackson sank a pet hook shot with seven seconds to go to knot the score at 61-all and send the contest into overtime. But the Bulldogs fizzled out and Glenville surged ahead to stay. High scorer, with 18, was Ken Bandi, who demonstrated with his uncanny set shots and play that he ranks with the best in McKinley's history. Thompson followed with 15.

"Take a bite out of him, Perry!"

SWIMMING

In pre-season practice, Coach C. T. "Ted" Branin looked forward to a very promising season and possibly another state championship. But his hopes for regular season triumphs were shattered as the Pup mermen broke their own losing mark and ended the dual meet competition with a 3-5 record. It should be noted, however, that most of the team's defeats came at the hands of college or prep school teams because Coach Branin could find very few high school teams to compete against us.

Creditable showings were made in the Kent State Relays, where we placed third, and at the Bowling Green Relays, where we took fifth. Starting into competition for the state title Coach Branin's mermen won the district meet by amassing a grand total of 88 points. The Pups qualified 13 men for the state meet in

In the state meet the Pups placed fifth. Outstanding performances were turned in by Bill Van Horn, who garnered a second in the 200-yard freestyle, and the relay team of Loehr, Thatcher, Parker, and Van Horn, who also took a second.

53 — Cleveland Heights — 22

The McKinley High swimming team started off in grand style, defeating Cleveland Heights' mermen, 53-22. Taking firsts for the Bulldogs were Ken Loehr in the 40-yard freestyle, Bill Van Horn in the 200-yard freestyle, Bud Troxler in the 100-yard backstroke, Glen Thatcher in the 100-yard freestyle, and Pete Parker in the 120-yard individual medley. 37 — Oberlin Frosh — 38

The Pup tankers had their regular season victory skein snapped at eight as they were dunked by the Oberlin College freshmen, 38-37. Taking firsts were Bill Van Horn in the 40 and 100-yard freestyle events and the relay team of Tom Johnson, Tim Callahan, Nel Freedman, and Pete Parker in the 160-yard freestyle relay.

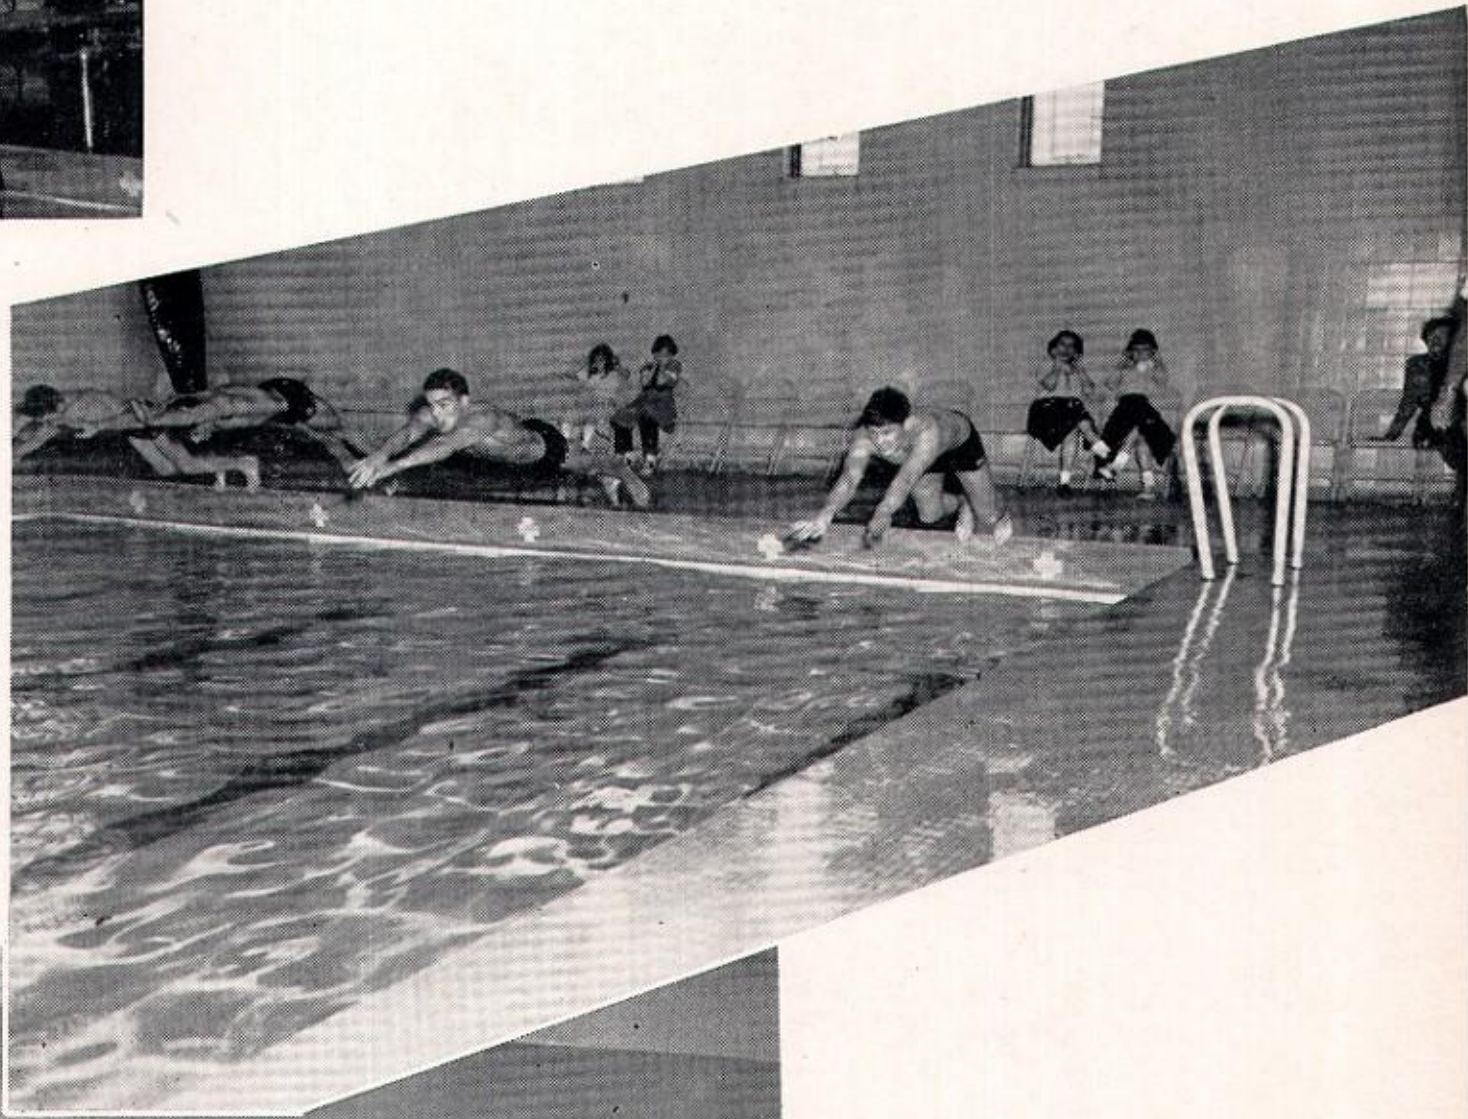

25 — University of Pittsburgh — 50

McKinley's mermen dropped their second straight meet to the Pitt frosh by a score of 50-25. The Pup freestyle relay team of Loehr, Troxler, Thatcher, and Parker churned the distance in 16.9 seconds to top the old Y. W. C. A. mark

Diver Jim Callahan exhibits excellent form in his back jackknife at the "Y" pool.

"Crack!" The gun goes off to start the 100-yard freestyle event in which Thatcher and Johnson are pictured. The former placed second.

by four-tenths of a second. McKinley's only other first was taken by Loehr in the 40-yard freestyle.

Kent State Relays

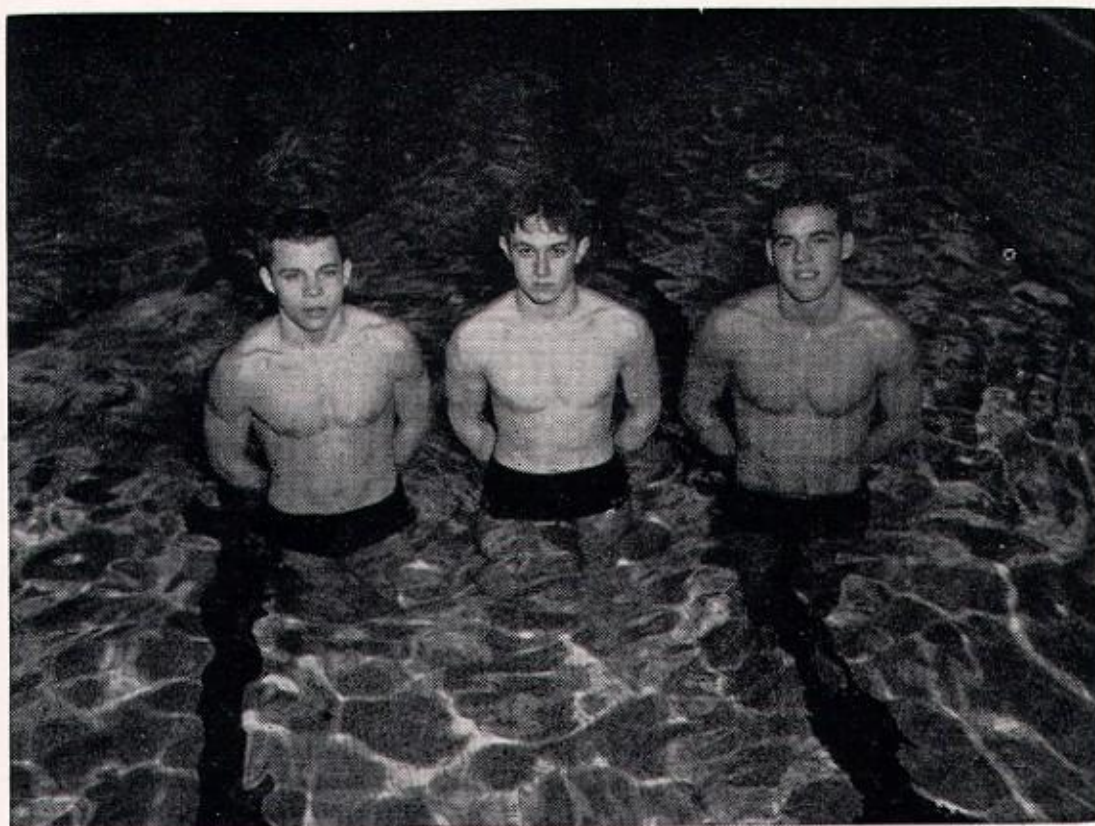

The Pups found the going rough as they tied with Shaker Heights for third place in the Kent State Relays. They had 34 points and Cleveland University School had 61 and Lakewood had 45. McKinley took firsts in the 200 and 400-yard freestyle. The freestyle teams were Loehr, Thatcher, Van Horn, and Parker in the 200-yard, while Troxler replaced Loehr in the 400-yard event.

32 — Toledo "Y" — 43

McKinley, experiencing one of its worst years, dropped its third meet in four starts to the Toledo "Y," 43-32. The Bulldogs managed to take only three firsts as Thatcher came through in

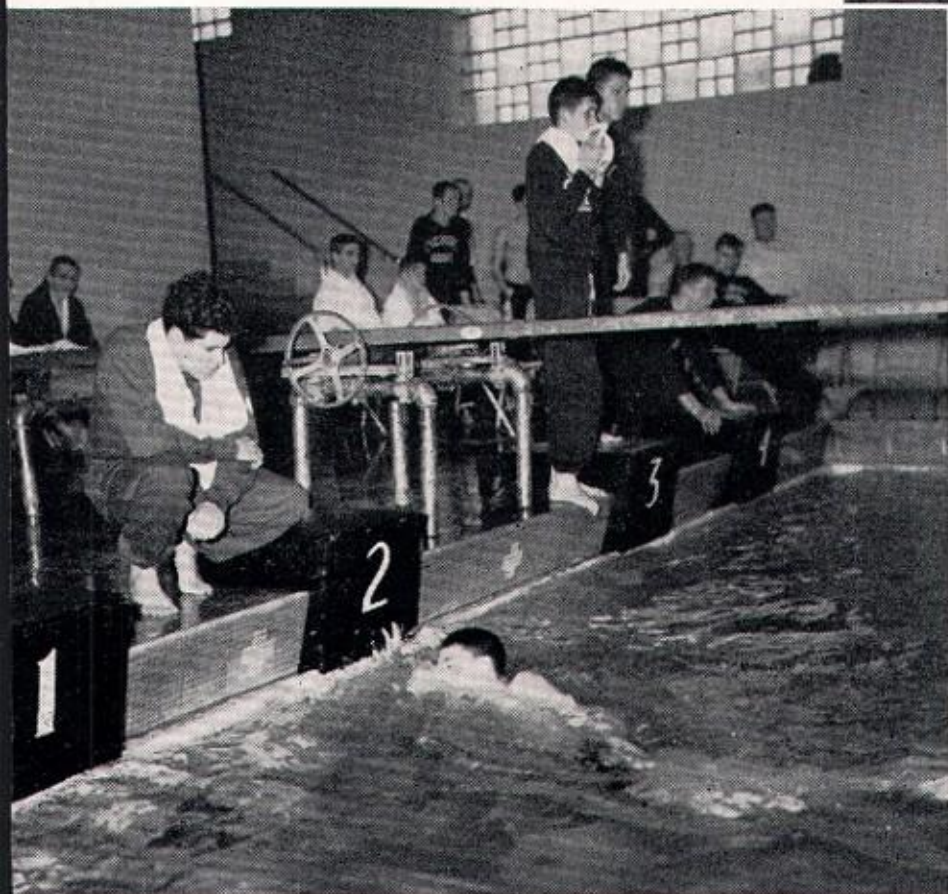

Senior squad members were Glenn Thatcher, Jim Callahan, Don Soldatis, Bob Berger, Dave Hursh, and Pete Parker.

Bud Troxler, Bob Round, and Glenn Thatcher formed this relay team.

the 200-yard freestyle, Troxler in the 100-yard backstroke, and the team of Thatcher, Troxler, Van Horn, and Parker in the 200-yard freestyle.

Bowling Green Relays

McKinley placed fifth in a field of six as they followed East Grand Rapids, Shaker Heights, Monroe, and Sandusky in that order. The Pups won only one event, that being the 200-yard freestyle with the team of Loehr, Thatcher, Parker, and Van Horn.

38 — Akron Buchtel — 28

The Pup tankers got back on the win trail as they dunked Akron Buchtel, 38-28. It was their second victory in five dual meets. Finishing in front for McKinley were Bill Van Horn, Troxler, Thatcher, Parker, and the Pups' freestyle relay team of Loehr, Van Horn, Thatcher, and Parker.

42 — Fremont Ross — 33

The Pup tankers finished their regular swimming season with a 42-33 win over Fremont Ross to post a 3-5 record. Taking firsts were Van Horn in the 200-yard freestyle and the 120-yard individual medley, the medley relay team of Troxler, Berger, and Thatcher, and the freestyle team of Holder, Callahan, Loehr, and Parker.

Petroff is all set to take his cut at the ball.

BASEBALLERS ANTICIPATE GREAT SEASON

Starting his twelfth year at the helm, Coach "Red" Rittersbaugh said his baseball team could win the state championship.

Returning lettermen are Doerschuk, Early, Halter, Freeman, Bandi, F. Scoville, Eliades, Petroff, Zupp, Baxter, Tesch, Zimer, Calhoun, and Lucas. Great things are expected from these boys and also from the fine prospects who showed up in the opening drills.

Among the lettermen is Bill Halter, winner of the batting and most valuable player trophies. Ken Bandi was the recipient of the best baserunning trophy, and Bob Doerschuk was awarded the trophy for the best pitching record.

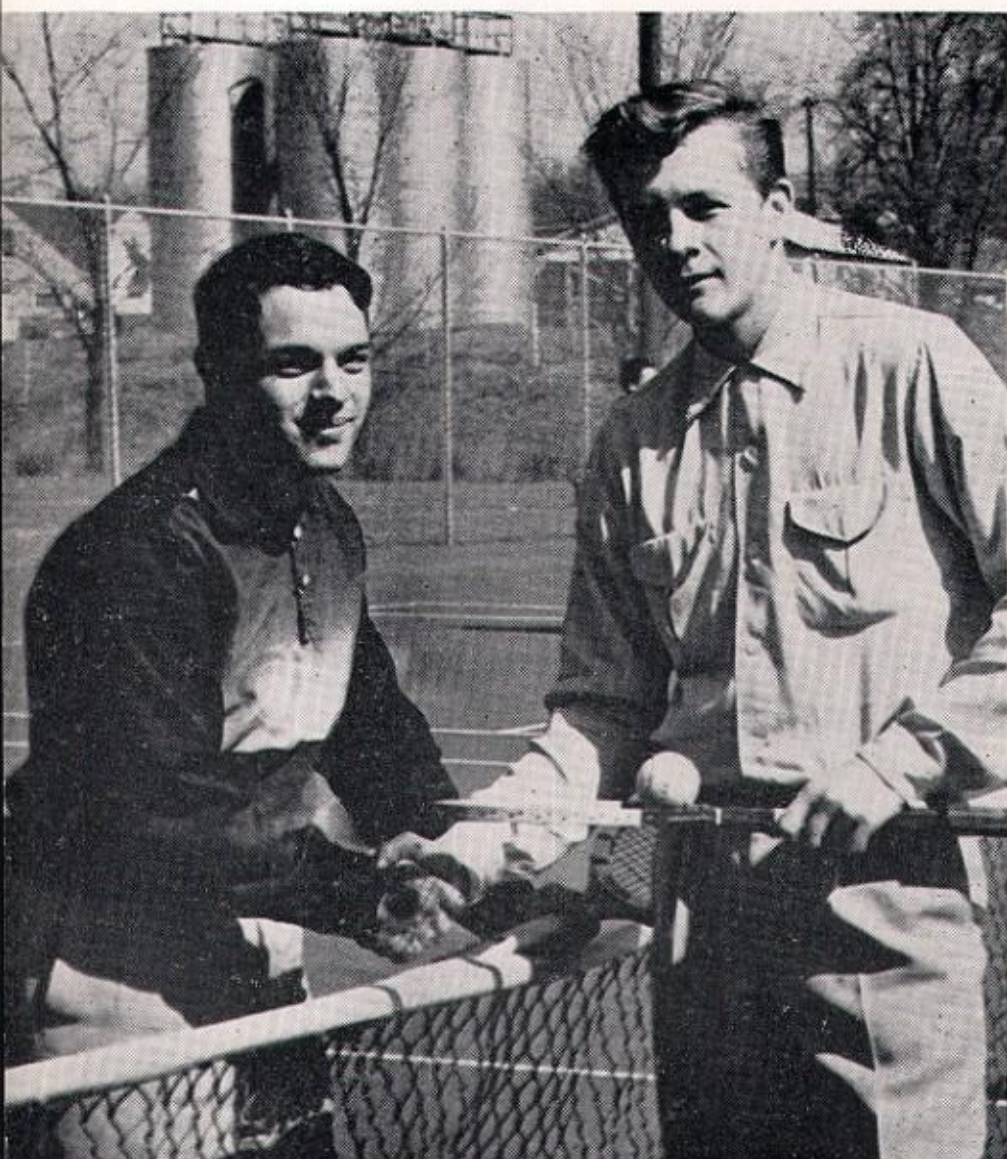

Letterman Ken Bandi warms up.

Row 1: Eberhard, Doerschuk, Early, Halter, Freeman, Eliades, McIntyre, Bester.
 Row 2: Burns, Bandi, Petroff, Jones, Lamielle, Zupp, Baxter, Lancaster, Smethers.
 Row 3: Coach "Red" Rittersbaugh, Tesch, Zimer, M. Scoville, F. Scoville, Goldberg, Calhoun, Eshlich.
 Row 4: Kinch, Fortney, Loughry, Lucas, Hoover.

Left: These five boys are expected to make a strong bid for city recognition. They are (left to right) Mitchell Bloomfield, Jim Chin, Ted Grau, Dick Boosz, and Dick Hawk. Right: Dick Hawk displays the correct forehand swing to Jim Chin.

Netmen Look Forward To Prosperous Season

Tennis got off to an early start this year at McKinley. The team, determined to take the city crown, was out early in March practicing after school and in their own spare time. Coaching the boys again was Dick McFarlane, well-known city recreational worker.

Looking forward to the keen rivalry which earmarks the high school tennis program are the students in the photos above. Practice sessions will find them at Stadium, Schroyer, and Nimi-shillen courts.

Dick and Ted shake hands after a practice match.

Golfers Are Eager To Start "Swinging Away"

After a temporary three-year halt to the golf program at McKinley, the Board of Education voted to reinstate the game on an intramural basis. The job of directing the hugh classes of both boys and girls was awarded to Mr. Ed Capri, a topnotch golfer and a member of the Professional Golfers' Association.

As tutor of the thirty-odd pupils who reported for the first meeting held in early March, Mr. Capri pointed out the reasons why the program was started once again, what he would attempt to teach the students, the costs, and other pertinent facts. It was also mentioned that a varsity team might be fielded if players of a high enough calibre can be developed.

Mr. Capri demonstrates the fine art of "chipping" to Bob, George, and Dave, who give close attention.

Possibly forming the varsity, with the fourth man, Jerry Jacobs, absent, the boys practice driving.

Mr. Capri corrects a flaw in George's stance.

Row 1: Louis, Grimsley, Garman, White, Cato, Trifelos, Smith, Thompson, Boss.
 Row 2: Williams Isabelle, Harris, Dreher, Martin, Pullins, Flowers, Jackson, Carnahan.
 Row 3: Thomas, Simonella, Tarver, Jones, Jackson, Ackerman, Clifford, Ruppert.

Defending City Champions Face Tough Season

In his second year as track coach, Bob Bell is looking forward to a very successful season. The Bulldog tracksters, defending city champions, have the nucleus of last year's squad back again. Leading the cindermen will probably be Jim and Bun Dreher in the shotput and the discus, Ovester Flowers in the pole vault, and Jack Ackerman and Bennett Cohon in the mile. In the dashes the Pups will feature Nate Harris and Bill Clifford, with Al Boss in the hurdles.

Another city championship looms as a certainty, for the Pups have the potential of an outstanding team.

Jim Dreher practices his form for the shotput.

TRACK

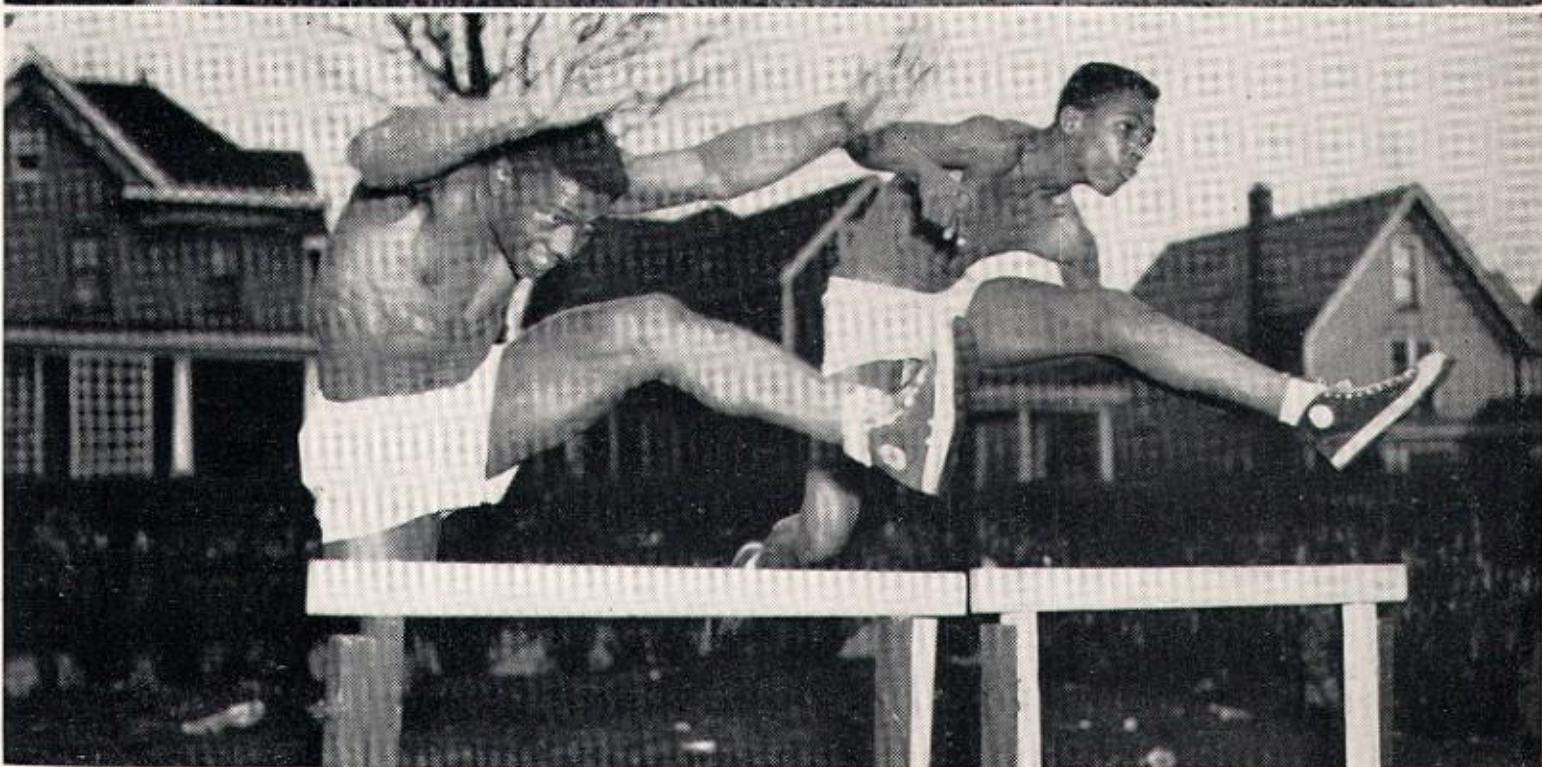

The mile relay team is looking for another great season with Ronnie Carnahan, Guy Rupert, Don Garman, and Nate Harris.

The mile and the half mile run will be taken care of by Bennett Cohon, Ovester Flowers, Jack Ackerman, and Al Boss. Cohon and Ackerman are expected to form a great mile combination with a chance at the school record of 4 minutes and 36 seconds, while Boss, a senior, is forecast as being a bit faster in the half-mile than Flowers.

Nate Harris and Bill Clifford practice their form in going over the low hurdles. Coach Bell is counting heavily on their performances this season.

Harvard Girls Capture 16th Victory in Annual Tilt, 33-22

The Harvard Crimson girls broke down the Yale defense to cop their 16th win of the annual clash, 33 to 22.

Sophomore Joanne Cassell paced the victorious sextette with 13 points and was high for both teams. She played only two quarters and netted 12 points from the field and one from the foul line. Teammate Sandy Provens also tossed in nine points for the winners. Other Harvard girls breaking into the scoring column were Nelda Phillippi with six points and Marilyn Wade with five.

Yale was paced by Gloria Jackson, who scored 10 points. She also played in the guard

position, trying to hold back the powerful Harvard attack. She was closely followed by Martha Royer, who gained a total of nine points, eight coming from the field and one from the free throw line. The remaining points were made by captain Janet Little, who came through with two from the field, and Jane Ann Zagray, who netted one on a foul shot.

The Yale-Harvard rivalry, which was started in 1927, shows Harvard on top in the win column. They now have 16 wins while Yale has come out on top in 11. Two contests ended in deadlocks.

Harvard now has two consecutive wins and is trying to pass the three-game winning streak Yale held until last year, when they were upset by the Crimson, 38 to 25.

The National Honor Society is an organization to which a percentage of senior students with well-rounded personalities and high scholastic records are elected. A small number of juniors are also selected on the basis of scholarship.

Members honored in their junior year include Stuart Bloom, Susie Cherry, Sally Hohn, George Ilves, Donna Medoff, Melvin Schwarzwald, and Adele Warren.

The society is founded upon four ideals: scholarship, character, leadership, and service. Members of the society are those students who are considered capable of upholding these standards.

Nominated on the basis of their grades, the faculty then decides which students are worthy of this special recognition. Fifteen per cent of the graduating senior class may be selected, but a smaller percentage is usually the rule rather than the exception.

This year, a total of thirty-nine students received the coveted award.

What's your choice?

EVER think about working in some far away place? Like logging in Oregon? Lobstering in Maine? Farming in Iowa? Go ahead if you want to. Freedom to work in any locality is one of your American rights. And it's a right that people in some other countries wish they had.

Millions of people behind the Iron Curtain can't work where they choose. Communist bosses make them slaves where manpower is needed most. And if they do try to move someplace else, they're very likely to end up in a box car bound for Siberia.

What's *your* choice? Freedom, of course. But there's more to preserving our rights than just thinking about them. Communists over here would give us Iron Curtain country working standards if they could. They've done it every place else they've taken over.

If we want to keep our rights, like the right to work in any locality, we've got to work for them. One way is to speak up when we hear someone talking down our freedom. After all, a few extra words from each of us could guarantee our freedom forever.

TIMKEN

The Timken Roller Bearing Company
"The right to work shall not be abridged nor made impotent"

DO YOU KNOW YOUR RIGHTS?

As Americans, we have the greatest freedom and the highest standard of living in the world. Help keep it that way by knowing your rights and guarding them well. Some of them are:

- Freedom of worship*
- Right to secret ballot*
- **Right to know how your union spends your dues*
- Freedom of speech*
- Freedom of the press*
- Right to criticize officials*
- **Right to know salaries of your union officers*
- Freedom from search without warrant*
- Right to petition government for redress of grievances*
- **Right to know if your union officers are Communists*
- **Right to know how your union is run*
- Right to speedy and public trial by jury*
- Right to help of a lawyer*
- **Right to hear your employer's side of disagreements*
- Right not to appear as a witness against yourself*
- **Right to refuse to permit the "check-off" of union dues*
- **Right to go direct to your boss with a grievance*
- Right to be presumed innocent until proved guilty*
- Freedom to own property*
- **Right to work despite union jurisdictional disputes*
- Freedom to work in any locality*
- **Right to proper supervision of your union welfare funds*
- Freedom to start and manage a business*
- Freedom to make a profit*
- **Right not to be fired by union leaders*
- ***Right to vote on company's best offer*

*These are rights you enjoy under the Taft-Hartley law.

Why did they come to America?

The pilgrim fathers took quite a
chance when they set sail for the
new world. They were willing to
risk their lives and suffer untold
hardships for the chance to become free
people...to worship, to write, to speak
and to assemble as they saw fit.

These freedoms which the pilgrims
sought are ours today. Guard them
well and use them wisely.

To Judy,
a very sweet girl
who I have had the
pleasure of knowing for
many years. May you al-
ways have the best of luck
in whatever you attempt. God
bless you.

To Judy,
A real nice girl, who I
really have enjoyed knowing.
Remember the good times we had
in 326 study-ball (wow!)

Best of luck,

To Judy,
a real sweet girl
who has a great personality.
I have enjoyed knowing
you for the past 2 years
and I hope we'll always
be friends. Best of luck
in the future.
